Parent/guardian e-mail address:

Parent/guardian signature

Rate 1-4, (1 being most interested and 4 being least interested), your level of interest in these activities.

___ Planning activities, coordinating interviews, doing research, writing press releases and newsletters.

___ Writing short stories, writing poems, working with multimedia formats.

___ Using computers, editing text, working with desktop and Web design.

___ Writing for different news mediums, interviewing people, exploring community issues.

Please provide typed answers for the following questions on a separate sheet of paper:

1. Briefly explain why you are interested in learning more about writing fields and the Write-Link program.
2. Are you involved in any activities that include writing or computer skills, such as writing for a school newspaper or yearbook? If not, are there any activities you are interested in that include writing or computer technology?

Please attach a **signed teacher** recommendation, or teachers may send a recommendation letter or memo separately that lists more than one student. Applications may be sent by mail, fax or e-mail.
