MBA foundation course requirements may be satisfied with graduate coursework at Eastern Michigan University after admission to the MBA program or with equivalent undergraduate or graduate coursework earned before admission to the MBA program.

Specific foundation course requirements will depend on the student’s prior education. Individuals with a Bachelor of Business Administration from an AACSB accredited institution are eligible to waive the MBA foundation courses.* Non-AACSB courses will be considered on a case-by-case basis; please see an advisor regarding the waiver review process. Courses taken at the undergraduate level must have been completed with at least a “C” grade in order to be considered for a foundation waiver or a “B” or better if taken at the graduate level. MBA foundation courses may be considered for waiver through the following:
