

EASTERN MICHIGAN UNIVERSITY

SPRING COMMENCEMENT

APRIL 27, 2024

A MESSAGE FROM THE PRESIDENT

Dear Graduates and Families,

Congratulations! Graduation is a major accomplishment, and I hope you are as proud of your success as we are of you. Of course, no one reaches this milestone alone. We extend our thanks to the many family members, friends and mentors who generously gave their support and encouragement to make this journey possible. The entire Eastern Michigan University family joins you in celebrating this new beginning.

As you graduate from Eastern, one of the most culturally diverse institutions in the Midwest, you join a community of alumni that reaches across all 50 states and into more than 100 countries. Together, virtually and in person, you and your classmates have built a community of scholars, founded on your sense of purpose and enriched by your varying experiences and hopes. Now you are prepared to succeed—and to lead—in a big world that grows smaller every day.

Your education and determination have prepared you for the hurdles you will face in the future. We are confident that all you have learned and experienced will help you achieve your dreams and impact the world around you. Our world needs you—your curiosity, your passion and your commitment to the greater community. This willingness to engage and connect is at the heart of the long tradition of Eastern Michigan University.

As you graduate and move on, we ask that you never forget your University, your professors, your colleagues and your friends. Help us share news of your accomplishments. Support the University with your time, your energy, and your dollars. Most importantly, come back to campus to network, to mentor, and to remember the moments that led you to this day. In an increasingly challenging world, we take great pride and comfort in knowing that the problem-solvers of tomorrow include many graduates of Eastern Michigan University.

Congratulations!

James M. Smith, Ph.D.
President
Eastern Michigan University

OUR PLEDGE

*Eastern, sacred Alma Mater
to your name we shall be true,
ever marching on to victory,
we'll stand by to see you through.
Softly floating on the breeze,
verdant green with white of snow,
this our banner we will carry
in our hearts where'er we go.*

ABOUT EASTERN MICHIGAN UNIVERSITY

Since its founding in 1849, Eastern Michigan University (EMU) has grown from a small teachers' college to a major learning and research institution with a distinct mix of comprehensive academic resources and strong community initiatives. The university offers more than 168 undergraduate majors and 109 graduate programs to more than 14,000 students.

Eastern is focused on student engagement and success through high-performing academic programs and quality research. We also foster innovation, diversity and ethical conduct in the workplace. Beyond the classroom, Eastern supports community engagement and collaboration that create a mutually beneficial exchange of knowledge and experiences. We are one of just 240 U.S. colleges and universities to receive the 2015 Community Engagement Classification from the Carnegie Foundation. EMU also earned the distinction in 2008—testament to a deep and longstanding commitment to community involvement and enhancing the overall quality of life in our region.

ACADEMIC PROCESSION AND SYMBOLS

The academic procession begins with the University mace, a symbol of the authority of the President and the Board of Regents. The mace represents the golden flame of learning and is carried by the Provost, the highest-ranking academic officer at the University, who serves as the grand marshal. The medallion, worn by the President, represents the distinguished office of the University's leader. Other University symbols are carried by the academic deans. The charter represents the original academic design of the University. The seal is the official mark of an institution of higher learning. The book represents knowledge, scholarly activity, and the source of wisdom. The keys represent permission to enter and employ the University's resources for the advancement of knowledge. The colors are a visual representation of the University.

All undergraduates wear regalia of the same color. The green and white tassels represent the colors of Eastern Michigan University. Gold tassels are worn by those graduating with honors. Graduates who have served our country with honorable military service wear red, white, and blue honor cords. Those receiving graduate degrees wear hoods and tassels in colors that represent specific graduate degrees.

THE UNIVERSITY MACE

Historically, the mace was a battle club used by men on horseback to injure footmen. With the passage of time, however, it became a symbol of learning and power.

Constructed of sterling silver, gold-plated brass and paduak (a wood resembling mahogany), the mace carries the symbols of each area of the University: the arts and sciences, business, education, engineering and technology, and health and human services.

The University mace was designed and constructed by Mark Hall, who earned his bachelor's degree in art from Eastern Michigan University and completed requirements for his master's degree in fine arts at the Cranbrook Art Academy.

COLORS OF ACADEMIC DRESS

For all academic purposes, including trimmings of doctors' gowns, edging of hoods, and tassels and caps, the colors associated with the five colleges at Eastern Michigan University are as follows:

Arts and Sciences	white
Business	drab
Education	light blue
Engineering and Technology	gold
Health and Human Services	citron

Faculty may be wearing the colors of their own institutions, typically associated with different programs as follows:

Agriculture	maize
Dentistry	lilac
Economics	copper
Engineering	orange
Fine Arts, including Architecture	brown
Forestry	russet
Journalism	crimson
Law	purple
Library Science	lemon
Medicine	green
Music	pink
Nursing	apricot
Oratory (Speech)	silver gray
Pharmacy	olive green
Philosophy	dark blue
Physical Education	sage green
Public Administration, including Foreign Service	peacock blue
Science	golden yellow
Theology	scarlet
Veterinary Science	gray

A professional photographer will take photos of all graduates as they receive their diplomas on stage. There is no obligation to buy enlargements, although this opportunity will be available when graduates receive their proofs, typically via email shortly after the ceremony.

COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT

Christopher Kaufman,

*Co-Founder and Former Chief Creative Officer, StockX;
Co-Founder and Chief Operating Officer, ArtClvb;
GameAbove EMU Board Member*

As an entrepreneur, executive, author, and investor, Chris Kaufman focuses his efforts on initiatives that build communities, solve human-centric problems, and positively impact Detroit and the surrounding region. He's the Co-Founder and former Chief Creative Officer of StockX, a revolutionary, global e-commerce platform where he built a full-service, in-house creative agency from the ground up. Recently valued at \$3.8 billion, StockX has created over 2,000 jobs around the world, many of which are in Detroit.

He's also an investor and advisor for numerous venture-backed startups led by female and minority founders and a member of the Advisory Board at GameAbove, a dedicated team of notable Eastern Michigan University alumni gathering funding (over \$20 million since 2019), resources, and support for EMU and the surrounding Ypsilanti community. Kaufman recently co-founded ArtClvb, the world's first network-based marketplace platform created for the art world, merging marketplace and authentication technologies with social mechanics—empowering artists, collectors, and galleries to display, buy, and sell art while delivering royalties and building relationships.

Kaufman is a 2007 graduate of Eastern Michigan University, earning a Bachelor of Fine Arts in Studio Art. He is currently pursuing his Master of Fine Arts in 2D Design at the Cranbrook Academy of Art (May 2024) and Master of Science in Learning and Organizational Change at Northwestern University (2025). His first book, which focuses on the link between leadership, culture, innovation, and creativity will be published by Forbes in early 2025.

HONORARY DEGREE RECIPIENT

Mr. Mohamad Marwan Issa,

Founder and Director of Global Educational Excellence

Mr. Mohamad Issa is the founder and director of Global Educational Excellence (GEE), an education management and development organization based in Ann Arbor, Michigan. He has invested in real estate development and business, which has enabled him to bridge education and business.

Mohamad Issa's story is a great example of resilience and determination. Despite facing displacement during the 1967 war, he and his family persevered. They decided to start anew and begin a new chapter in their lives. They finally immigrated to the United States and made Ann Arbor, Michigan their home. With hard work and perseverance, Mohamad graduated from Huron High School and later earned a business degree from Central Michigan University. His story shows the power of hope and the importance of believing in the American dream.

In 1998, Mr. Issa established Global Education Excellence (GEE) after opening his first charter school, Central Academy, in Ann Arbor in 1996. He aimed to transform education by offering students education focused on character development, language, and culture. His success in Ann Arbor led to expanding his vision to other communities seeking similar opportunities for their children. His continued passion for providing Arabic Language and Culture education to students led to the creation of a comprehensive curriculum developed in partnership with universities and his team in the US. Today, many schools in the United States use this curriculum.

Under the leadership of Mr. Issa, Global Educational Excellence (GEE) has expanded its management and development to fourteen public school academies in Southeast Michigan. GEE has a team of over 650 employees serving more than 5,000 students.

In 2019, GEE expanded its presence in the MENA region. Mr. Issa's vision of establishing a permanent presence for GEE in the MENA region was finally realized with the opening of GEE MENA's office in Abdali Boulevard, Amman, Jordan. This office serves as an excellent opportunity to support partnerships between GEE and higher education institutions in the US and the MENA region, as well as K-12 initiatives.

Mr. Mohamad Issa holds a degree in Business Management from Central Michigan University. He has been recognized for his contributions to the community, including being named an Economic Bridge Builder by the Arab Chamber of Commerce in 2017. Additionally, he received the Trailblazer Award from the Michigan Association for Public School Academies for his work in developing Michigan's charter school movement for over 20 years. Apart from this, Mr. Issa is dedicated to several philanthropic initiatives, particularly in the areas of education and community development.

He currently serves on numerous professional associations and charity organization boards supporting diverse communities.

WELCOME TO THE ALUMNI FAMILY

Dear Graduates,

On behalf of the Eastern Michigan University Alumni Association (EMUAA), it is my honor and privilege to congratulate you on reaching this significant achievement. I encourage you to reflect on the journey that brought you to this monumental moment of earning your degree. As one of the many accomplishments within your lifetime, we understand that the road to completion wasn't an easy task, but with tenacity, you made it, which is worthy of a standing ovation.

Today, you join more than 180,000 members of our alumni community who reside in every state and in more than 100 countries. Those members come from diverse communities whether through their backgrounds, experiences, and/or interests, which is also reflected in our student population. Your fellow alumni provide a network that can help leverage your personal and professional growth.

Eastern Michigan University's extensive opportunities enable alumni to stay engaged with students, faculty, staff, and peers, fostering a strong sense of connection and involvement. As the President of the EMU Alumni Association Board of Directors, I encourage you to remain actively engaged with our University by being a member of EMUAA and giving back through your time, talent, and treasures. Membership in the Association is complementary and will provide ongoing communication with the University and networking opportunities. You will also receive invitations to special alumni activities and events, discounts with various businesses, and a subscription to our alumni publication, the e-Edge Newsletter. To learn more about EMUAA, alumni chapters, and various opportunities and benefits, visit the alumni website at emich.edu/alumni.

Eastern Eagles, hats off to you!

Remember you are destined for greatness, and we will always be here to congratulate and support your future success in the years to come.

Yours in Service,
Ebony Walls, CNP, BSW '14, MPA '17
President, EMU Alumni Association
