Payroll Disbursement Preferences

If you work for EMU, your paycheck is disbursed through Higher One. Choosing to receive your payroll to your OneAccount will always be the fastest way to receive any payment owed to you. And, when you enroll in Unlimited Online Bill Pay and receive direct deposit of payroll to your OneAccount, you are eligible to have the monthly service charge for Unlimited Online Bill Pay waived (subject to ability to verify legitimacy of payroll deposit).

Since Higher One receives the payroll disbursement file prior to the pay date, we have been able to also make ACH Transfer (to another bank) available the day that EMU specifies that payroll be made available. Learn more about how payroll is disbursed with Higher One.

Your Current Payroll Disbursement Preference

Your current payroll preference is set to Preference Undefined.

This may be because you never selected a preference, because your preference is not currently valid due to an error, or because your previously defined preference was no longer an option offered by EMU.

Please select your preference for receiving payroll.

If you had previously selected the "Paper Check" option, please verify that your primary address on file with Higher One is correct. If you had previously selected ACH Transfer (to other bank), please re-submit your ACH form and verify that your account number and routing numbers are correct.

Preference changes will affect future payments, or those payments that are currently in the pending status. Changing your preference will not affect payments that have already been disbursed.
Preference changes will affect future payments, or those payments that are currently in the Preference Inactive status. Changing your preference will not affect payments that have already been disbursed.
