Web Time Entry Reminders & Responsibilities

Employee Responsibilities

• Submit time by the 11:59pm submission deadlines.
  
  **Note:** Submission deadlines are Monday after the pay period ends for time sheets and the last day of the next pay period for leave reports. Time sheet and leave report deadlines may change to accommodate holidays.

• Check the pay period, earnings types, and recorded times for accuracy prior to submitting your time sheet or leave report.
  
  **Note:** You will be required to certify that your time sheet or leave report information is accurate.

• Verify leave balances amounts via the my.emich Employee tab >> Employee link >> Leave Balances link before submitting your time sheet or leave report. If your leave balances are insufficient to cover your reported hours, your pay will be docked.

• Add comments to your time sheet or leave report to document any special circumstances or variations and/or changes to your normal work schedule.

• Check your time sheet status the first Wednesday after the pay period ends to verify that it has been approved. If it has not been approved, contact your Approver for next steps.

• If you are unable to submit your time sheet or leave report by the deadline, contact your Approver to make arrangements for them to complete and submit your time sheet or leave report.

• Bi-Weekly staff must submit a time sheet, reporting time for each day of their regular schedule including: regular hours, vacation, overtime, comp time, shift premiums, etc. (a.k.a. exception time), for every pay period regardless of the actual hours worked.

• Employee Consultants and Temporary employees must submit a time sheet, reporting actual hours worked (a.k.a. positive time), for any pay period that hours are worked.

• Students must submit a time sheet, reporting in and out times for actual hours worked (a.k.a. positive time), for any pay period that hours are worked.

• Semi-Monthly staff should only submit leave reports when they are reporting sick and vacation (a.k.a. exception time) taken.
  
  **Note:** If you have no exception time to report for the pay period, it is not necessary to open the leave report. Please check with your Approver for internal procedures.
