**FUN CAMP THEMES – 2014**

**Week 1: It’s a Flip Flop Summer (June 9 – June 13)**

Welcome to another summer of Fun Camp! This past winter was a tough one for all of us, and who knows what the summer is going to bring? Let’s start out the summer with a spirit week to show we are up for anything! Each day will be a different chance to express your individual style. We’ll even be going on a Scavenger Hunt throughout the entire campus to display our creativeness!

**Week 2: Peanuts and Crackerjacks (June 16 – June 20)**

It’s that time of the summer again to get out your baseball hats and oil up those gloves to catch any fly balls at the Toledo Mudhens Game on June 19th! We’ll be getting involved in some awesome, traditional American games that everyone loves to get warmed up throughout the week. If you’re not a baseball fan, we’ll have a super fun alternative planned for you that will get you just as pumped!

**Week 3: Get Ready. Get Set. Get Fit (June 23 – June 27)**

Now that you’re getting your muscles a little more warmed up, this is the perfect time to show us what you’re made of! Throughout the week, the camp will be participating in a Get Fit Challenge. Each group will participate in activities where we’ll learn about nutrition, and also learn some new, exciting, and fun ways to get your body movin’ and groovin’. At the end of the week, we’ll put everything together to have a camp celebration to show what we’ve learned!

**Week 4: Creaturemania (June 30 – July 3)**

Since it was such a big hit last summer, we decided it was time to take another trip to check in on our exotic and interesting creature-friends at the Great Lakes Zoological Society. We’ll learn about different species, and get a tour of the facility. Fun Camp is going to adopt another creature this summer, so keep your eyes open to narrow down your favorites!

**Week 5: Let the Games Begin (July 7 – July 11)**

This summer, we’re putting a bit of a spin on our annual carnival! Every day, through showing a willingness and motivation to participate in games and activities, you will be able to earn tickets to start you out at the carnival. The first counselor in the dunk tank better be scared of an extra-long line!
**Week 6: Cirque Amongus (July 14 – July 18)**

This week, we have an amazing opportunity to learn something totally new, and totally cool! Cirque Amongus is an organization that is coming to our camp for an hour every day to teach us...now, wait for it...CIRCUS ACTS! We’re talkin unicycling, trapezing, tightwire walking, juggling...the works. At the end of the week, they will bring costumes and face paint so you will be all glammed up for a big show for all your families to see you rock all the skills you’ve learned! We are so excited 😊

**Week 7: Fun Camp’s Got Talent (July 21 – July 25)**

What would Fun Camp be without our annual Talent Show?! Even though you get the whole week to prepare for your consistently fabulous performances that continue to blow our minds every year, you will have the opportunity to take any free time in the upcoming weeks to practice and work on ideas.

**Week 8: It’s a Jungle Out There (July 28 – August 1)**

A summer favorite not only for Fun Camp, but all the Rec/IM workers, the Animal Guy is quite simply...the best. The exotic creatures he brings every year are a surprise to us, but you can expect to see some crazy critters ranging from teeny-tiny, to large and in charge! Throughout the week, we’ll be doing some crazy crafts and activities to get us in the mood.

**Week 9: Leggo my Lego (August 4 – August 8)**

Who doesn’t love Legos? At Fun Camp, we LOVE them, and thought it would be the best idea to have a professional Lego camp come to us, and teach us a thing or two. **Bricks 4 Kidz®** will be here on Thursday afternoon. Campers will have an opportunity to learn, build and explore utilizing LEGO® bricks. This program provides an extraordinary atmosphere for kids of all ages to build unique creations, play games, and have a lot of fun.

**Week 10: Water, Water, Everywhere! (August 11 – August 15)**

After a, hopefully, hot summer, it’s time to cool off! Water week has everything you need for fun in the sun. Get ready for water games, a trip to Rolling Hills Water Park, and our final free-swim of the summer in our Olympic-sized Jones Pool. Don’t forget your biggest, baddest squirt gun for our whole camp water fight!
