The final examination for each Part of Term will be held during the last scheduled class session.

Whether or not a final examination shall be required will be determined by the instructor in line with departmental and University policy. If a final examination is not given, the scheduled exam period shall be used for other class activity. Instructors are not permitted to change the schedule of examinations. Students are to take their exam with their regular class at the hour indicated by instructor. Any deviation must be approved by the instructor and the department head in which the course is offered. Approval will be given only in cases of extreme emergency. Please consult the University Catalog for other regulations governing examinations.
