AFC 101 Introduction to Africology and African American Studies (CRN 10575, 11543, 10875 (wholly online)) (03 hrs) This is an introductory examination of the African American experience. It acquaints students with the trends, issues and forces that have shaped that experience; it considers the concepts of cultural adaptation, institutional development, and group self-definition; and it surveys the contemporary status and condition of African Americans.

(AFC 101 counts towards the US Diversity area of the General Education Program. It also counts towards the Major and Minor in Africology and African American Studies.)

*AFC 102 Introduction to African Civilization (CRN 12412) (03 hrs) wholly online)

This course is designed to provide the student with an introductory knowledge of centers of African civilization from antiquity to the 1960s. Those centers include ancient Egypt, Songhai, Kilwa, and Monomotapa.

(AFC 102 counts towards the Global Awareness area of the General Education Program. It also counts towards the Major and Minor in Africology and African American Studies.)

*AFC 232 Politics in the African American Experience [GEUSI(CRN 12413) (Hybrid-online)

This course is designed to provide the student with knowledge of Black political behavior in the United States in its evolution from protest to contemporary institutional politics. (AFC 232 counts towards the US Diversity area of the General Education Program. It also counts towards the Major and Minor in Africology and African American Studies.)

AFC 244 - Dimensions of Racism (03 | CRN #s 11137

(Honors), 11336 (Hybrid-online), 13528 (Hybrid-online))

This course examines various theoretical approaches to the concepts of race, ethnicity, and diversity. This course offers the opportunity to acquire an understanding of the interrelated dynamics that diversity of people, culture, religious beliefs, and ideologies play in the creation of new nations; how they can determine political and/or economic alliances; how they can shape or reshape the global order; how they can influence systems of exclusion and produce practices of intolerance. As such, this course meets the outcomes for Gen Ed, Knowledge of the Disciplines-Social Sciences. It also counts towards the Major and Minor in Africology and African American Studies.

AFC 351 The Social Context of African American Health (03

crn 13710	wholly online)
-----------	-------------------

This course examines the health status of African Americans. It explores the interplay between environment, biology, and culture; folk and popular health practices; and the organization and delivery of health care.

AFC 402L4 Internship Seminar in Africology and African American Studies [GELB](CRN 16179)

The Internship Seminar in Africology and African American Studies is designed as a practicum in which majors and minors in Africology and African American Studies can acquire a practical experience of an African American organization or an organization that serves a diverse clientele. **Credit** 3 hrs /*May not be repeated for additional credit*

Grade Mode Normal (A-F) **Course Rotation** Fall (online/hybrid), Winter (online/hybrid), Summer (online/hybrid)
