2. The view applicants page allows users to comment and score applicants against individual selection criteria as well as provide an overall summary and score.
 - a. From this page, users have access to view the applicant's resume and application form via the icons beside their name.
 - b. Users also have access to bulk compile and send information about the applicants against a job - users can pick and choose the documents they wish to include in the generated PDF. **As chair, you can select bulk move to change the status of the applicant to move them forward in the process.**
 - c. Users can sort applicants based on First Name, Last Name, Submitted Date (ascending and descending) and Outcome. Sorting is completed for each group of applicants within an application status.

3. Provide Selection Criteria Outcome and Rank (if the chairperson), then click "Save and next." Work through list of pool applicants.
 - a. The chairperson is able to provide a ranking of applications at each stage of the review process.
 - i. Note: Options will appear in the ranking drop down based on the number of applicants in the selection process: e.g. if there are five applicants then options will appear for 1-5.
 - ii. It is possible to assign the same rank to multiple applicants (e.g. two applicants being designated as the second preference). This allows users the flexibility to shift and change their preferences easily as the situation requires.
