

### **General Education Review Committee meeting of September 17th, 2014**

At this meeting the committee further reviewed the proposed Instructor Questionnaire. A motion to move forward with the content and send it out to full-time faculty, full-time lecturers, and part-time lecturers was carried. The need for demographic data collection was discussed and a revised draft survey will be emailed out to committee members for feedback. At the next meeting the subcommittee structure proposed on the attached document will be discussed.
