Instructor Questionnaire:

- With regard to demographics:
 - IRIM can aggregate responses by instructor rank and college;
 - Advice on the ranking scale (if any) for the “rank you knowledge” questions will be sought from IRIM.
- A link to the General Education Program in the current catalog will be provided in the email and referred to in the questionnaire.
- The survey will be available for two weeks. IRIM will send a reminder at the one week mark.

Subcommittees:

- Consider splitting Criteria Three and Four across two subcommittees.
- Criterion Five will be addressed after Criteria One through Four.
- The subcommittees, as currently constituted, will meet before the next committee meeting to reshape the questions from the CAS Program Review Plan in a way that makes sense for the General Education Program Review. Each subcommittee will email the outcome to Win for preparation for discussion at the October 15th committee meeting.
- The co-chairs will look at Criterion Five.
