

High School Dual Enrollment Main Campus Admission Requirements

Welcome to Eastern Michigan University's Main Campus Dual Enrollment Program!

Dual Enrollment provides an opportunity for public and charter high school students with demonstrated academic potential to enroll in selected Eastern Michigan University

The purpose of our dual enrollment program is to supplement and enrich the high school experience by allowing students to pursue course work which otherwise would not be available to them. Students are expected to successfully complete all requirements for graduation mandated by their high school. After graduation, admission to a degree program at Eastern Michigan University will be granted provided the student meets the minimum admission criteria.

If you have questions about EMU's On Campus-Dual Enrollment Program, contact 734.487.0407.

Admission Criteria

Students with cumulative GPAs of a 3.0 or higher and who have completed 4 semesters of high school are eligible for dual enrollment at EMU. Students must submit a recent high school transcript and ACT/SAT scores to EMU. Dual enrollment allows a student to take college level classes while still in high school. These credits will become part of the student's college transcript.

Students applying to be dual enrolled are financially responsible for the class for which they enroll and all applicable university fees. The costs for some dual enrolled students are sometimes reimbursed to the student by the school district.

Application Process

Please visit our web-site at www.emich.edu/dualenrollment and follow the **Check List** for easy admission to the program. All forms need to be completely filled out and returned. These forms are:

- ✓ A dual enrollment application
- ✓ A school District 'Letter of Authorization' (completed by your counselor)
- ✓ A school District 'Payment Voucher' forms (completed by your counselor)
- ✓ A completed 'Course Selection Form'
- ✓ A FERPA waiver
