      - EMU Greek Life is one of the first Universities to do it.
      - The basic explanation of the Program would be that a member would take a picture that represents a topic outlined. This would help push the education and understanding of a Social Justice Issue.
      - We have lost the steam it used to produce. Not going to force you, but we should revisit or reboot the program.
        - Have seen the program around Mental Health, Sexual Assault, and Alcohol. We could even have the council decide what the topic would be.
        - Maybe even doing it during the Fall, to put more emphasis on it.
