ARCHIVED CRIMINOLOGY & CRIMINAL JUSTICE ARTICULATION GUIDEHenry Ford College– **AA in Criminal Justice- Corrections/Probation and Parole**Eastern Michigan University – **Bachelor of Science in Criminology and Criminal Justice****Additional Information:**

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. HFC courses indicated with an * are required for EMU’s Criminology and Criminal Justice Program.
2. Students whose transcripts have the “MTA Satisfied” endorsement have satisfied the General Education Core Requirement and will only be required to complete the General Education Application requirements of one “Perspectives on a Diverse World” course, one “Learning Beyond the Classroom” (LBC) area, and a writing intensive course in the major. The Perspectives on a Diverse World course may be transferred from the community college.
Students must request that an official community college transcript, with “MTA Satisfied”, be sent to EMU’s Admissions Office. Students, who do not have this on their community college transcript, will be required to satisfy EMU’s general education requirements as listed in the Undergraduate Catalog. MTA requirements may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete the MTA or they may be advised to complete additional courses for the general education program.
3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed at EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Courses listed in this guide may be completed at the most opportune time for students, whether before or after admission to EMU, as long as appropriate pre-requisites are satisfied.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. HFC students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Criminology and Criminal Justice Program Coordinator before applying to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation agreement when applying to EMU, and bring a copy of this guide to all advising sessions. Copies of the articulation guide are available on EMU’s webpage at www.emich.edu/ccr/artguide.php.

Effective Dates: January 1, 2017 until January 1, 2020

If this agreement is not renewed at the end of the effective period, students who already started the program at Henry Ford College will be given three additional years to be admitted to EMU under the terms of the agreement. Students who began this program prior to the new effective date have the option of using this agreement or continuing to follow the agreement they were already using.
