

ARCHIVED TECHNOLOGY MANAGEMENT ARTICULATION AGREEMENT GUIDE

Henry Ford College– Approved Technical Programs/Disciplines
Eastern Michigan University – Bachelor of Science in Technology Management

Henry Ford College Courses:	Transfer Eastern Michigan University as:
Michigan Transfer Agreement (MTA) Requirements (30 credits)	
Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the EMU General Education Application Requirements of one Perspectives on a Diverse World course, one Learning Beyond the Classroom experience, and one writing intensive course in the major. <u>Courses listed below for the MTA will also satisfy major requirements at EMU.</u> Students who started before Fall 2014 may continue to follow the MACRAO Agreement until the end of summer 2019.	
1. A course in English Composition	
Choose from the approved MTA list..... 3	University Elective 3
2. A second course in English Composition or Communication	
Choose from the approved MTA list..... 3	University Elective 3
3. A course in Mathematics	
* ¹ MATH 150 Finite Mathematics..... 4	MATH 118 Linear Models & Probability (3)+1 4
4. Two courses in Natural Sciences from different disciplines (one lab required)	
Choose from the approved MTA list..... 7-8	University Electives 7-8
5. Two courses in Humanities from different disciplines	
Choose from the approved MTA list..... 6	University Electives 6
6. Two courses in Social Sciences from different disciplines	
* BEC 151 Principles of Macro Economics..... 3	ECON 201 Principles of Macroeconomics 3
Choose from the approved MTA list..... 3-4	University Elective 3-4
7. If needed, complete an additional course in the above categories to meet the 30 credit minimum for the MTA.	
Additional HFC and EMU Requirements: (These courses may be used to satisfy MTA areas above.)	
* EMU's Perspectives on a Diverse World Requirement choose one course from the following: : <u>Natural Science:</u> BIO 138; <u>Humanities:</u> ART 224, 225, 226, 227; ENG 243, 248; WR 233, 236; <u>Social Science:</u> ANTH 131, 151, 152, 154; GEOG 132; HIST 113, 243, 252, 261; POLS 152; SOC 152, or 251; WR 233, 236; or an approved Perspectives course at EMU	
HFC's American Society, Events, Institutions and Cultures Requirement Students who want to complete an associate degree, should choose one course from the following: <u>Humanities:</u> ENG 235, 236; <u>Social Sciences:</u> CRJ 131; HIST 151, 152; POLS 131; SOC 131.	
HFC Technical Concentration (30-46 credits)	
*Thirty to forty-six credits in technical courses from an approved HFC program or discipline may be transferred as a block for the technical concentration. If the program has less than 30 technical credits, related technical courses may be taken at either institution.	
HFC Graduation Requirement (3 credits)	
* ² CIS 100 Intro to Information Technology..... 3	IS 215 End-User Computing (Subs for STS 201) 3
EMU Requirements that May be Taken at HFC or EMU (15-31 credits)	
* BEC 152 Principles of Micro Economics..... 3	ECON 202 Principles of Microeconomics..... 3
Open Electives (not to exceed 94 credits at HFC) 12-28	University Electives 12-28
The number of elective credits will vary depending on the technical concentration. Students must complete a minimum of 124 total credits to graduate at EMU. Be sure to keep track of your total credits.	
Maximum Credits at HFC: 94	Maximum Credits that transfer to EMU94

*Required for EMU's Technology Management program. If not transferred, must be completed at EMU.

¹ STS 224 may be used in place of MATH 118 at EMU, however it is not an approved course for the MTA at HFC.

² STS 201 (CIS 100 at HFC) may be waived by successful completion of STS 201 exam at EMU. See Tech Management advisor for details.

Note: Students who want to complete a certificate or associate degree should consult an HFC counselor to select the appropriate courses.

See pg. 2 for list of approved HFC programs/disciplines.

Note: A university elective is any college level course

Sign up with us: Let us know you are using this articulation agreement and we can stay in touch with you to provide information and advising while you are still at your community college.

---	--

¹ Satisfies EMU’s Writing Intensive in the major requirement

² Satisfies EMU’s Learning beyond the Classroom requirement

NOTE: If sufficient credits are not transferred from the community college, additional courses must be completed at EMU to satisfy the minimum of 124 credit hours required to graduate. See the Program Coordinator for advice.

ARCHIVED TECHNOLOGY MANAGEMENT ARTICULATION AGREEMENT GUIDE

Henry Ford College– Approved Technical Programs/Disciplines
 Eastern Michigan University – Bachelor of Science in Technology Management

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. HFC courses indicated with an * are required for EMU's Technology Management Program.
2. Students whose transcripts have the "MTA Satisfied" endorsement have satisfied the General Education Core Requirement and will only be required to complete the General Education Application requirements of one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" (LBC) area, and a writing intensive course in the major. The Perspectives on a Diverse World course may be transferred from the community college.
Students must request that an official community college transcript, with "MTA Satisfied", be sent to EMU's Admissions Office. Students, who do not have this on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. MTA requirements may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete the MTA or they may be advised to complete additional courses for the general education program.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed at EMU, with at least 15 hours in program requirements, at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Courses listed in this guide may be completed at the most appropriate time for the student, whether before or after admission to EMU, as long as pre-requisites and admission requirements are satisfied.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. HFC students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Technology Management Program Coordinator early, before applying to EMU. To facilitate advising and the evaluation of transcripts, [sign up for this articulation agreement](#) and bring a copy of this guide to all advising sessions.

Effective Dates: September 1, 2014 until August 31, 2017.

This is a renewal of an agreement made in March 2003 and renewed in September 2007 and 2010. Students who began this program prior to the new effective date have the option of using this agreement or continuing to follow the agreement they were already using. If this agreement is not renewed at the end of the effective period, students who already started the program at Henry Ford College will be given three additional years to be admitted to EMU under the terms of the agreement.
