Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this articulation agreement, both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions. MCCC courses indicated with an * are required for EMU's Social Work program. Substitutions for these courses must be approved by the EMU program coordinator.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one Learning Beyond the Classroom experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be satisfied at the community college as part of the MTA requirements.
To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to fall semester 2014 have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to either institution.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 51 credit hours must be completed at the four-year college level, with a minimum of 30 hours in courses offered by EMU, of which at least 15 hours are in program requirements at the 300-level or above. Of the last 30 hours completed before graduation, a minimum of 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Eligibility for placement in the required two semesters of senior-year field placement includes:
 - a) A cumulative GPA of a 2.3 in all EMU courses (must be maintained through field placement),
 - b) A minimum grade of "C" in each required SWRK course, completion of all required social work courses through the 300 level (including courses that fulfill Life Span Human Growth & Development and Abnormal Psychology),
 - c) A minimum of 40 hours (post high school) volunteer work, internship, or work experience at a social welfare agency or organization that is documented by a reference letter from the supervisor of that experience. MCCC internships may be used to satisfy this requirement.
 - d) A written essay on the student's interest in social work as a career.
6. Students must satisfy all admission requirements at the time of admission to EMU, including submitting transcripts from all previously attended colleges. MCCC students will receive equal consideration with other students for course registration and financial aid.
7. Application to the Social Work program is completed while enrolled in SWRK 251. Students cannot enroll in the 300/400 level social work courses without seeing the EMU advisor. SWRK 120, 200, 251, and 222 are pre-requisites for all upper division SWRK courses and must be completed before starting the professional sequence at EMU. Students may enroll in these courses at EMU's main campus during the last two semesters at MCCC.
8. Students are encouraged to contact the EMU Social Work Program Coordinator early, before applying to EMU.
