<sup>1</sup> Satisfies EMU's Writing Intensive General Education Application requirement

<sup>2</sup> Satisfies EMU's Learning Beyond the Classroom General Education Application requirement

**ARCHIVED NURSING COMPLETION ARTICULATION AGREEMENT GUIDE**

Oakland Community College– **AAS in Nursing**  
 Eastern Michigan University – **BSN in Nursing Completion**

**Additional Information:**

- Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this articulation agreement, both institutions agree to accept transferrable courses from each other and from other institutions. OCC courses indicated with an \* are required for EMU's Nursing Program.
- Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" experience, and a "Writing Intensive" course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.  
*To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript will be required to satisfy EMU's general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to fall semester 2014 will have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after summer 2019.*
- Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to either institution.
- Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in EMU courses, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
- Students should apply to both EMU and the School of Nursing RN/BSN Completion Option. The application for admission to EMU may be accessed from the EMU Office of Admissions website at <http://www.emich.edu/admissions/application/index.php>. Students must submit transcripts from all previously attended colleges. Students who speak English as a second language must submit a TOEFL or MELAB score that meets EMU requirements.
- Contact the nursing department (information below) for the Application for Admission to the RN/BSN Option. Students must comply with the program requirements in effect at the time of admission to the program. Current admission requirements include:
  - An EMU student identification number,
  - Submission of an application to the RN/BSN completion option,
  - Current unrestricted license to practice as a Registered Nurse,
  - Minimum cumulative GPA of 2.5 (on a 4.0 scale),
  - Minimum grade of 3.0 (on a 4.0 scale) in a college-level English Composition course,
  - Designation on application of first and second choices for site preference for coursework.
  - EMU School of Nursing requires background checks for all students entering any nursing program through Verified Credentials. To access the website go to [www.myvci.com/emu](http://www.myvci.com/emu).
  - Effective January 2015, completion of EMU's general education requirements or a transcript endorsed as "MTA Satisfied" or "MACRAO Satisfied" will be required for admission to the RN/BSN Completion program.
- The RN/BSN Completion Option Coordinator will work with you to assist in exploration of degree requirements and evaluation of your application for admission. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using this, link <https://www.emich.edu/ccr/articulation-agreements/signup.php>, and bring a copy of this guide to all advising sessions.

**Effective Dates: September 1, 2017 until August 31, 2020.**

This is a renewal of an agreement made in September 2007 and renewed in 2010 and 2014. Students who began this program prior to the new effective date have the option of changing to this guide or may follow the guide they started under. If this agreement is not renewed at the end of the effective period, students who already began the program at OCC will have an additional three years to be admitted to EMU under the terms of the agreement. All coursework for this degree must be completed within six years of taking the first 200 level NURS course at EMU.
