¹ Satisfies the Writing Intensive Major requirement

² A minimum of 124 credits is required to graduate. If sufficient credits are not transferred, additional credits must be completed at EMU to satisfy the 124 credit minimum.

COMPUTER INFORMATION SYSTEMS ARTICULATION AGREEMENT GUIDE

Schoolcraft College – **AAS in Business Information Technology**
Eastern Michigan University – **BBA in Computer Information Systems**

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors at both institutions (indicated below) to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. Schoolcraft courses indicated with an * are required for EMU's Bachelor of Business Administration degree.
2. Students whose transcripts have the "MTA Satisfied" endorsement will only be required to complete one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" (LBC) experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be satisfied at the community college as part of the MTA requirements.
To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement, sent to EMU's Admissions Office. Students, who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform advisors or they may be advised to complete additional courses for the general education program.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 39 credit hours must be completed at the four-year college level, of which 30 hours must be in courses offered by EMU, with 15 hours in program requirements, at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Courses listed in this guide may be completed at the most appropriate time for students, whether before or after admission to EMU, as long as appropriate pre-requisites are satisfied.
5. A minimum cumulative GPA of 2.0 is required for admission to EMU. Students with a transfer GPA of 3.0 or higher will receive priority admission to the College of Business. Students whose community college GPA's are less than 3.0 may apply and be conditionally admitted to the College of Business for the first semester at EMU and will be regularly admitted after successful completion of at least 12 credits at EMU with a minimum overall EMU (GPA) of 2.5.
6. Students are encouraged to contact the College of Business undergraduate advisor early, before completing an admission application to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation guide on their application to EMU and bring a copy to all advising sessions. Copies of this agreement are available at: www.emich.edu/ccr/artguide.php.

Effective Dates: January 1, 2014 until December 31, 2016

Students who began this program prior to the new effective date may use this articulation agreement. If this agreement is not renewed at the end of the effective period, students who already started the program will be given an additional three years to be admitted to EMU under the terms of the agreement.
