WOMEN'S & GENDER STUDIES
ARCHIVED ARTICULATION AGREEMENT GUIDE

Washtenaw Community College – A.A. in Liberal Arts Transfer

Eastern Michigan University – B.A. or B.S. with a Major or Minor in Women's and Gender Studies

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisers (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. WCC courses indicated with an * are required for EMU's Women's and Gender Studies Major or Minor.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one "Learning beyond the Classroom" experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be satisfied at the community college as part of the MTA requirements.
To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform advisors or they may be advised to complete additional courses for the general education program. Students who enrolled at WCC prior to September 2014 may follow the MACRAO agreement until August 2019.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 40 credit hours must be completed at the four-year college level with at least 30 credits at EMU. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. All program requirements must be satisfied either in transfer courses or at EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. Washtenaw students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Women's and Gender Studies Department Head before applying for admission to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using this link <https://www.emich.edu/ccr/articulation-agreements/signup.php> and bring a copy of this articulation guide to all advising sessions.

Effective Dates: September 1, 2015 until August 31, 2018

If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who enrolled at Washtenaw Community College prior to the effective period may use this agreement.
