Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. Both WCCCD and EMU agree to accept transferable courses from each other and from other institutions. WCCCD courses indicated with an * are required for EMU's BBA degree. Substitutions for these courses must be approved by the EMU program coordinator.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one "Perspectives on a Diverse World" course, one "Learning beyond the Classroom" experience, and a "Writing Intensive" course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.

To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to September 2014 will have until the end of August 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.

3. A grade of "C" or better (2.0 on a 4.0 scale) is required for courses to transfer to either institution.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 42 credit hours must be completed at the four-year college level, with at least 30 credit hours in courses offered by EMU, of which 15 hours must be in major/program requirements at the 300-level or above. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU.
5. A minimum cumulative GPA of 2.0 is required for admission to EMU. Students with a community college GPA of 2.5 or higher, who have completed the pre-admission business foundation courses, will receive conditional admission to the College of Business. Any foundation courses not already completed, must be completed in the first semester of enrollment at EMU. Students will be regularly admitted after successful completion of at least 12 credits at EMU with a minimum overall EMU (GPA) of 2.5.
6. Students are encouraged to contact the College of Business Undergraduate Advising Office before applying to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using the link <https://www.emich.edu/ccr/articulation-agreements/signup.php>, and bring a copy of this guide to all advising sessions.

Effective Dates: January 1, 2012 through December 31, 2014.

This is a renewal of an agreement made in September 2007. Students who began this program prior to the new effective date have the option of changing to this guide. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of the agreement.
