Eastern Michigan University – Bachelor of Social Work

1. Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this articulation agreement, both institutions agree to accept transferable courses from each other and from other institutions. OCC courses indicated with an * are required for EMU's Social Work program. Substitutions for these courses must be approved by the EMU program coordinator.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one "Perspectives on a Diverse World" course, one "Learning beyond the Classroom" experience, and a "Writing Intensive" course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.
To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to September 2014 will have until the end of August 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 51 semester hours must be completed at the four-year college level, with a minimum of 30 hours in courses offered by EMU, of which at least 15 hours are in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Courses listed in this guide may be completed at the most opportune time for students, whether before or after admission to EMU, as long as appropriate pre-requisites are satisfied.
5. Eligibility for placement in the required two semesters of senior-year field placement includes:
 - a) A cumulative GPA of 2.3 in all EMU courses (must be maintained through field placement),
 - b) A minimum grade of "C" in each required SWRK course, completion of all required social work courses through the 300 level (including courses that fulfill Life Span Human Growth & Development and Abnormal Psychology),
 - c) A minimum of 40 hours (post high school) volunteer work, internship, or work-experience at a social welfare agency or organization that is documented by a reference letter from the supervisor of that experience. WCCCD internships may be used to satisfy this requirement.
 - d) A written essay on the student's interest in social work as a career
6. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. WCCCD students will receive equal consideration with other students for course registration and financial aid.
7. Application to the Social Work program is completed while enrolled in SWRK 251. Students cannot enroll in the 300/400 level social work courses at EMU without seeing an advisor. SWRK 120, 200, 251, and 222 are pre-requisites for all upper division SWRK courses and must be completed before starting the professional sequence at EMU. Students may enroll in these EMU courses at EMU's main campus or at an off-campus site during the last two semesters of enrollment at WCCCD.
8. Students are encouraged to contact the Social Work Program Coordinator early, before applying to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using the link <https://www.emich.edu/ccr/articulation-agreements/signup.php> and bring a copy to all advising sessions.

Effective Dates: September 1, 2015 until August 31, 2018.

This agreement replaces the articulation agreement made in August 2002 and renewed 2007 and May 2012. Students who began this program prior to fall 2007 have the option of following the agreement in place when they started or using this agreement. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement.
