MECHANICAL ENGINEERING
ARTICULATION AGREEMENT GUIDE
Henry Ford College – Associate in Science in Pre-Engineering
Eastern Michigan University – BS in Mechanical Engineering

Michigan Transfer Agreement (MTA) Requirements (30 credits)
Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the EMU General Education Application Requirements of one Perspectives on a Diverse World course, one Learning Beyond the Classroom experience, and one writing intensive course in the major. Courses listed below for the MTA also satisfy program requirements at EMU and/or HFC. Students who started before fall semester 2014 may continue to follow the MACRAO Agreement until the end of summer semester 2019. For courses that meet the MTA requirements, see the HFC website.

Henry Ford College Courses: Transfer to Eastern Michigan University as:

1. A course in English Composition
   ENG 131  Introduction to College Writing ............................. 3
   WRTG 120 (University Elective) ............................................ 3

2. A Second course in English Composition or Communication
   * ENG 132  College Writing and Research ............................. 3
   WRTG 121  Comp II (pre-req for SET 350W) ........................ 3

3. A course in Mathematics
   * MATH 180 Calculus I .............................................................. 5
   MATH 120  Calculus I (4)+1.................................................... 5

4. Two courses in Natural Sciences from different disciplines (one lab required)
   * PHYS 231 Engineering Physics I ............................................ 5
   PHY 223  Mechanics and Sound ........................................... 5
   * CHEM 141 Principles of General & Inorganic Chemistry I .... 5
   CHEM 121/122 General Chemistry I (4)+1............................ 5

5. Two courses in Humanities and Fine Arts from different disciplines
   Choose from the approved MTA list................................. 4-6
   University Elective .............................................................. 4-6

6. Two courses in Social Sciences from different disciplines
   Complete one: BEC 151 or 152.............................................. 3
   ECON 201 or 202 Macro or Microeconomics (Univ Elective) 3
   Choose a second course from the approved MTA list ......... 2-4
   University Elective .............................................................. 2-4

If needed, complete an additional course in the above categories to meet the 30 credit minimum for the MTA.

EMU "Perspectives on a Diverse World" Requirement: These courses may be used to satisfy an MTA category above. These courses also satisfy an MTA area: Humanities  ART 224, 225, 226, 227; ENG 243, 248; PHIL 201; WR 233, 236; Social Science: ANTH 131, 151, 152, 154; GEOG 132; HIST 113, 243, 261; PHIL 201; POLS 152; PSY 296; SOC 152, 251.

HFC Pre-Engineering Program Requirements (23 credits)

* MATH 183  Calculus II ........................................................... 5
   MATH 121  Calculus II (4)+1.................................................... 5

* MATH 280  Calculus III .......................................................... 5
   MATH 223  Multivariable Calculus (4)+1............................... 5

* MATH 288  Differential Equations ......................................... 5
   MATH 325  Differential Equations (3)+2 ............................. 5

* ENGR 130  Introduction to Engineering .................................. 3
   ET 100  sub for ME 100.................................................. 3

* PHYS 232  Engineering Physics II ......................................... 5
   PHYS 224  Electricity and Light ........................................... 5

EMU Requirements and Electives that may be taken at HFC or EMU (21 credits)

* MATH 283  Linear Algebra ..................................................... 3
   MATH 122  Elementary Linear Algebra ............................... 3

Open Electives or Math/Science pre-requisites ................. 18
University Electives .............................................................. 18

Recommended: ENGR 201, ENGR 232, ENGR 233, 234

Credits at HFC: .......................................................... 74
Credits that apply to EMU's program ............. 74

* Required for the Mechanical Engineering program at EMU. If not transferred from HFC, these courses must be completed at EMU.
1 Admission requirement for the Mechanical Engineering program at EMU. See page 3 of guide for all admission requirements.

Sign up to use this articulation agreement. If you let us know you are using this articulation agreement we can stay in touch with you and provide information and advising to you while you are still at your community college.
MECHANICAL ENGINEERING  
ARTICULATION AGREEMENT GUIDE  

Henry Ford College – Associate in Science in Pre-Engineering  
Eastern Michigan University – BS in Mechanical Engineering

Completion of the Mechanical Engineering Program at EMU

### Major Requirements (50 credits)

**Cet 151** Intro to Computing in Engineering Tech ........ 3  
**ELEC 212** Engineering Circuit Analysis ......................... 3  
**SET 350W** Engineering Communication .................................. 3  

### Additional Requirements (9 credits)

**CET 151** Intro to Computing in Engineering Tech ........ 3  
**ELEC 212** Engineering Circuit Analysis ......................... 3  
**SET 350W** Engineering Communication .................................. 3  

### Technical Requirements (41 credits)

**ME 211** Statics .............................................................. 3  
**ME 312** Dynamics (or PHY 230) ................................... 3  
**ME 313** Mechanics of Materials .................................... 3  
**ME 316** Thermodynamics (or PHY 360) ........................... 3  
**ME 317** Fluid Mechanics (or PHY 485) .............................. 3  
**ME 325** Mechanics of Composite Materials .................. 2  
**ME 326** Composite Design and Processes .................................. 1  
**ME 330** Machine Design ............................................... 3  
**ME 418** Heat Transfer ...................................................... 3  
**ME 420** Thermo/Fluids Lab .................................................. 2  
**ME 431** Mechanical Design and Analysis ......................... 3  
**ME 432** Machine Dynamics .............................................. 3  
**ME 435** Computational Solid Mechanics ......................... 3  
**ME 492** Senior Capstone I ............................................ 3  
**ME 493** Senior Capstone II ............................................ 3  

### LBC Requirement (0-3 credits)

Students must complete one Learning Beyond the Classroom course or noncredit experience offered by EMU. Consult your advisor for options. ME 387L4 or ME 487 will apply toward this requirement.

### Credits at EMU: .................................................. 50-53

### Transfer Credits: ................................................. 74

### Total Credits: .................................................. 124

---

*EMU requires 124 credits to graduate. If sufficient credits are not transferred to EMU, the course credit must be taken at EMU.*  
*Satisfies EMU’s Writing Intensive in the major requirement.*  
*Satisfies EMU’s Learning Beyond the Classroom requirement.*
MECHANICAL ENGINEERING ARTICULATION AGREEMENT GUIDE

Henry Ford Community College – Associate in Science in Pre-Engineering
Eastern Michigan University – BS in Mechanical Engineering

Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this Articulation Agreement, both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions. HFC courses indicated with an * are required for EMU’s Mechanical Engineering program. Substitutions for these courses must be approved by the EMU program coordinator.

2. Students with the MTA endorsement on their community college transcript have satisfied EMU’s General Education Core Requirements and will be required to complete only the General Education Application Requirements of one “Perspectives on a Diverse World” course, one “Learning Beyond the Classroom” experience, and a “Writing Intensive” course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.

To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the “MTA Satisfied” endorsement sent to EMU’s Admissions Office. Students who do not have “MTA Satisfied” on their community college transcript, will be required to satisfy EMU’s general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to fall semester 2014 will have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to either institution.

4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in EMU courses, with at least 15 hours in the program or (9 hours in the major and 6 hours in the minor), at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.

5. Students must satisfy all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. HFC students will receive equal consideration with other students for course registration and financial aid.

6. Admission requirements for the BS in Mechanical Engineering:
   - A minimum EMU cumulative GPA of 2.7. (If a student has not yet established an EMU GPA, a combined GPA of 2.7 from all transfer institutions will be accepted).
   - Completion of PHY 223 with a grade of C or higher (or equivalent transfer credit)
   - Completion of MATH 120 and MATH 121, with a grade of C or higher (or equivalent transfer credit)

7. Students are encouraged to contact the College of Technology Student Services before applying to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement and bring a copy of this articulation guide to all advising sessions.

Effective Date: September 1, 2018 through August 31, 2021.

This agreement is consistent with the 2018-2019 catalog. Students have until summer 2026 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of the current articulation guide.
