BUSINESS ARTICULATION AGREEMENT GUIDE

Jackson College – **AAS in Business Administration**
 Eastern Michigan University – **BBA (Any Business Major)**

Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this articulation agreement, both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions. JC courses indicated with an * are required for EMU's BBA degree. Substitutions for these courses must be approved by the EMU program coordinator.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" experience, and a "Writing Intensive" course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.
To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to September 2014 will have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after summer semester 2019.
3. Only courses with a grade of "C" or better ("2.0" on a "4.0" scale) will be accepted for transfer to either institution.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 45 credit hours must be completed at the four-year college level, with at least 30 credit hours in courses offered by EMU, of which 15 hours of which must be in major/program requirements at the 300-level or above. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU.
5. A minimum cumulative GPA of "2.0" is required for admission to EMU. Students with a community college GPA of "2.5" or higher, who have completed the pre-admission business foundation courses, with the exception of IS 215 and DS 265, will receive conditional admission into the College of Business. Any foundation courses not already completed, must be completed in the first two semesters of enrollment at EMU. Students will be regularly admitted after successful completion of at least 12 credits at EMU with a minimum overall EMU (GPA) of "2.5".
6. Students are encouraged to contact the College of Business Undergraduate Advising Office before applying to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using this link www.emich.edu/ccr/trackingsystem/Enter.php, and bring a copy of this articulation guide to all advising sessions.

Effective Dates: January 1, 2017 until January 1, 2020.

This is a renewal of an agreement made in September 2011. Students who began this program prior to the effective date have the option of changing to this guide or may follow the articulation guide they started under for up to seven years. If this agreement is not renewed at the end of the effective period, students who already started the program will be given an additional three years to be admitted to EMU under the terms of this agreement.
