

September 2017

## **Electronic Engineering Technology Articulation Agreement Discontinuation**

**Macomb Community College – AAS in Electronic Engineering Technology**  
**Eastern Michigan University – BS in Electronic Engineering Technology**

The MCC/EMU Electronic Engineering Technology Articulation Agreement is being discontinued effective September 2017. Students who started the program at MCC prior to September 2017 have three years (until August 31, 2020) to transfer to EMU under the articulation agreement. The archived articulation guide for Electronic Engineering Technology is at this link: [macomb\\_electronicengineeringtech\\_archived.pdf](http://www.mcc.edu/electronicengineeringtech_archived.pdf)

The Electronic Engineering Technology program is an active major at EMU. MCC students who started at MCC in September 2017 or later, may transfer to this program under standard transfer guidelines. [http://www.emich.edu/admissions/requirements/transfer\\_credit.php](http://www.emich.edu/admissions/requirements/transfer_credit.php)

Students should contact Dr. Jamal Bari to discuss completing the Electronic Engineering Technology program. The contact information is below:
