² Satisfies EMU's Learning Beyond the Classroom requirement.

BSN COMPLETION ARTICULATION AGREEMENT GUIDE

Mid Michigan College –Associate Degree in Nursing

Eastern Michigan University – Bachelor of Science in Nursing (BSN Completion)

Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. Both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions. MMC courses indicated with an * are required for EMU’s BSN Nursing Completion. Substitutions for these courses must be approved by the EMU program coordinator.

2. Students with the MTA endorsement on their community college transcript have satisfied EMU’s General Education Core Requirements and will be required to complete only the General Education Application Requirements of one “Perspectives on a Diverse World” course, one “Learning Beyond the Classroom” experience, and a “Writing Intensive” course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.

To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the “MTA Satisfied” endorsement sent to EMU’s Admissions Office. Students who do not have “MTA Satisfied” on their community college transcript, will be required to satisfy EMU’s general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to either institution.

4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in EMU courses, with at least 15 hours in the program at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.

5. Students must satisfy all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. MMC students will receive equal consideration with other students for course registration and financial aid.

6. Contact the Nursing Department listed below for the Application for Admission to the RN/BSN option. Students must comply with the program requirements in effect at the time of admission to the program. Current admission requirements include:

- An EMU student identification number,
- Submission of an application to the RN/BSN completion option,
- Current unrestricted license to practice as a Registered Nurse,
- Minimum grade of 2.0 (on a 4.0 scale) in college level English Composition course,
- EMU School of Nursing requires background checks for all students entering any nursing program through Verified Credentials. To access the website go to www.myvci.com/emu.
- Effect January 2015, completion of EMU’s general education requirements or a transcript endorsed as “MTA Satisfied” or “MACRAO Satisfied” will be required for admission to the RN/BSN Completion Program.

7. Students are encouraged to contact EMU’s BSN Nursing Completion program coordinator before applying to EMU. To facilitate advising and the evaluation of transcripts, [sign up for this articulation agreement](#) and bring a copy of this articulation guide to all advising sessions.

Effective Date: September 1, 2019 until August 31, 2022.

This is a renewal of an agreement made in September 2013. This agreement is consistent with the 2019-2020 catalog. Students have until summer 2027 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of the current articulation guide. All coursework for this degree must be completed within six years of taking the first 200 level NURS course at EMU.
