TECHNOLOGY MANAGEMENT ARTICULATION AGREEMENT GUIDE

Monroe County Community College – **Approved Technical Programs**
Eastern Michigan University – **BS in Technology Management**

Michigan Transfer Agreement (MTA) Requirements (30 credits)

Students with an MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one "Learning Beyond the Classroom" experience, and a writing intensive course in the major. Courses listed below for the MTA also satisfy major requirements at EMU. For MCCC courses approved to satisfy the MTA go to www.monroeccc.edu/academicadv-transfer/transindex.htm and click on Michigan Transfer Agreement.

Monroe County Community College Courses:	Transfer to Eastern Michigan University as:
1. A course in English Composition	
Choose from the approved MTA list (C3) 3	University Elective 3
2. A second course in English Composition or Communication	
Choose from the approved MTA list 3	University Elective 3
3. A course in Mathematics	
Choose from the approved MTA list (C2) 3-4	University Elective GEQR..3-4
4. Two courses in Natural Sciences from different disciplines (one lab required)	
Choose from the approved MTA list (C1) 7-8	University Electives 7-8
5. Two courses in Humanities from different disciplines	
Choose from the approved MTA list.......................................6	University Electives 6
Recommend choosing one course that also meets C5	
6. Two courses in Social Sciences from different disciplines	
*ECON 251 Principles of Economics I.....................................3	ECON 201 Principles of Macroeconomics 3
Choose from the approved MTA list.......................................3	University Elective 3
Recommend choosing one course that also meets C6	

If needed, complete an additional course in the above categories to meet the 30 credit minimum for the MTA.

EMU's Perspectives on a Diverse World requirement: *Complete <u>one</u> course from the following list: Courses on this list will satisfy an MTA area above:* **Natural Science:** BIOL 156; **Humanities:** ENGL 240, 255, 266; HUMAN 256, 257; **Social Sciences:** ANTHR 152; GEOG 152; HIST 159, 255, 256; POLSC 211, 252; SOC 153

MCCC Technical Concentration (30-33 credits)

*A minimum of thirty (30) credits in career/technical courses from an approved MCCC program or discipline may be transferred as a block for the Technology Management technical concentration. If the program has less than 30 technical credits, courses may be taken at either institution to make up the difference. Meet with the EMU program coordinator to determine which courses apply to the concentration. *See page 2 for a list of approved programs and disciplines.*

Computer Competency Requirement (C4) 0-3	University Elective..0-3

EMU Requirements that May be Taken at MCCC or EMU (34 credits)

*ECON 252 Principles of Economics II 3	ECON 202 Principles of Microeconomics 3
Open Electives (not to exceed 94 credits at MCCC) 31	University Electives..31

The number of elective credits will vary depending on the technical concentration. Students must complete a minimum of 124 total credits with at least 30 credits at EMU for a bachelor's degree. Be sure to keep track of your total credits. Students should consult an MCCC counselor to select the appropriate courses for a certificate or associate degree.

Credits at MCCC:.. 94	Credits that transfer to EMU 94

Required for EMU's Technology Management program. If not transferred, must be completed at EMU.

Sign up with us: If you let us know you are using this articulation agreement we can stay in touch with you and provide information and advising to you while you are still at your community college. Sign up at: http://www.emich.edu/ccr/articulation-agreements/signup.php

---

[1] *Satisfies EMU's Writing Intensive requirement*
[2] *Satisfies EMU's "Learning Beyond the Classroom" requirement*
NOTE: *If 94 credits are not transferred, additional courses must be completed at EMU to satisfy the minimum of 124 total credit hours.*

TECHNOLOGY MANAGEMENT ARTICULATION AGREEMENT GUIDE
Monroe County Community College – **Approved Technical Programs**
Eastern Michigan University – **BS in Technology Management**

Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. Both MCCC and EMU agree to accept transferable courses from each other and from other regionally accredited institutions. MCCC courses indicated with an * are required for EMU's BS in Technology Management program. If not transferred, they must be completed at EMU. Any substitutions for these courses must be approved by the EMU program coordinator.

2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" experience, and a "Writing Intensive" course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.
    To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. As of fall semester 2019, the MACRAO agreement, which preceded the MTA, will no longer be endorsed by community colleges. If the MACRAO endorsement is already on your transcript, it will be accepted at EMU.

3. A grade of "C" or better (2.0 on a 4.0 scale) is required for courses to transfer to either institution.

4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in courses offered by EMU, with 15 hours in program requirements, at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 total credit hours, completed in-residence or accepted in transfer, is required for graduation.

5. Students must satisfy all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. MCCC students will receive equal consideration with other students for course registration and financial aid.

6. Students are encouraged to contact the Technology Management Program Coordinator before applying to EMU. To facilitate advising and the evaluation of transcripts, you can sign up for the agreement at http://www.emich.edu/ccr/articulation-agreements/signup.php and bring a copy of this guide to all advising sessions.

Effective Dates: **September 1, 2019 until August 31, 2022**
This is a renewal of an agreement made in November 2004 and renewed in September 2007, June 2011, and January 2016. This agreement is consistent with the 2019-2020 catalog. Students have until summer 2027 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of a more recent articulation guide.
