Michigan Transfer Agreement (MTA) Requirements (30 credits)
Students with an MTA endorsement on their community college transcript have satisfied EMU’s General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one “Learning Beyond the Classroom” experience, and a writing intensive course in the major. Courses listed below for the MTA also satisfy major requirements at EMU. For MCCC courses approved to satisfy the MTA go to www.monroeccc.edu/academicadv-transfer/transindex.htm and click on Michigan Transfer Agreement.

EMU’s Perspectives on a Diverse World requirement: Complete one course from the following list: Courses on this list will satisfy an MTA area above: Natural Science: BIOL 156; Humanities: ENGL 240, 255, 266; HUMAN 256, 257; Social Sciences: ANTHR 152; GEOG 152; HIST 159, 255, 256; POLSC 211, 252; SOC 153

MCCC Technical Concentration (30-33 credits)
*A minimum of thirty (30) credits in career/technical courses from an approved MCCC program or discipline may be transferred as a block for the Technology Management technical concentration. If the program has less than 30 technical credits, courses may be taken at either institution to make up the difference. Meet with the EMU program coordinator to determine which courses apply to the concentration. See page 2 for a list of approved programs and disciplines.

Computer Competency Requirement (C4) University Elective

EMU Requirements that May Be Taken at MCCC or EMU (34 credits)
*ECON 252 Principles of Economics II University Elective

The number of elective credits will vary depending on the technical concentration. Students must complete a minimum of 124 total credits with at least 30 credits at EMU for a bachelor’s degree. Be sure to keep track of your total credits. Students should consult an MCCC counselor to select the appropriate courses for a certificate or associate degree.

Credits at MCCC: 94 Credits that transfer to EMU: 94

*Required for EMU’s Technology Management program. If not transferred, must be completed at EMU.

Sign up with us: If you let us know you are using this articulation agreement we can stay in touch with you and provide information and advising to you while you are still at your community college. Sign up at: http://www.emich.edu/CCR/articulation-agreements/signup.php
Completion of the BS in Technology Management Program

Major Requirements (30-33 credits)

Core Courses (18 credits)
- TM 130 Introduction to Technology Management ............. 3
- TM 212 Management of Technological Change ................. 3
- TM 311 Information Technology Mgmt & Organizations ...... 3
- TM 314W Managing for Process Improvement .................. 3
- TM 402 Technology Project Management ...................... 3
- TM 415 Senior Seminar in Technology Management .......... 3

Technology Mgmt Electives (12 credits)
Choose from the following: .............................................. 12
(At least 3 hours at the 300/400 level must be completed.)
- ACC 130 Accounting for Non-business majors (3)
- ACC 240 Prin of Financial Accounting (3)
- ACC 241 Prin of Managerial Accounting (3)
- ACC 358 Analysis of Financial Statements (3)
- FIN 350 Principles of Finance (3)
- LAW 293 Legal Environment of Business (3)
- LAW 403 Employment Law (3)
- MGMT 384 Human Resource Management (3)
- MGMT 386 Organizational Behavior & Theory (3)
- MGMT 388 Intro to Entrepreneurship (3)
- MGMT 480W Management Responsibility & Ethics (WI) (3)
- MKTG 360 Principles of Marketing (3)
- MKTG 369 Advertising (3)
- MKTG 473 Marketing and Product Innovation (3)
- TM 306 Quan Analysis of Sustainability Issues (3)
- TM 308 Seminar in Technological Impacts (3)
- TM 377/378/379 Special Topics (1/2/3)

- Nursing, Registered
- Phlebotomy Technician
- Product and Process Technology
- Renewable Energy Technology – Solar Energy/Wind Energy
- Respiratory Therapy
- Welding Technology
- Other programs with approval of EMU Program Coordinator

Note: The Technology Management major is only offered online.

1 Satisfies EMU's Writing Intensive requirement
2 Satisfies EMU's “Learning Beyond the Classroom” requirement

NOTE: If 94 credits are not transferred, additional courses must be completed at EMU to satisfy the minimum of 124 total credit hours.
Additional Information:
1. Each institution will determine the satisfaction of their individual program and degree requirements. Both MCCC and EMU agree to accept transferable courses from each other and from other regionally accredited institutions. MCCC courses indicated with an * are required for EMU’s BS in Technology Management program. If not transferred, they must be completed at EMU. Any substitutions for these courses must be approved by the EMU program coordinator.

2. Students with the MTA endorsement on their community college transcript have satisfied EMU’s General Education Core Requirements and will be required to complete only the General Education Application Requirements of one “Perspectives on a Diverse World” course, one “Learning Beyond the Classroom” experience, and a “Writing Intensive” course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.

To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the “MTA Satisfied” endorsement sent to EMU’s Admissions Office. Students who do not have “MTA Satisfied” on their community college transcript, will be required to satisfy EMU’s general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. As of fall semester 2019, the MACRAO agreement, which preceded the MTA, will no longer be endorsed by community colleges. If the MACRAO endorsement is already on your transcript, it will be accepted at EMU.

3. A grade of “C” or better (2.0 on a 4.0 scale) is required for courses to transfer to either institution.

4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in courses offered by EMU, with 15 hours in program requirements, at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 total credit hours, completed in-residence or accepted in transfer, is required for graduation.

5. Students must satisfy all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. MCCC students will receive equal consideration with other students for course registration and financial aid.

6. Students are encouraged to contact the Technology Management Program Coordinator before applying to EMU. To facilitate advising and the evaluation of transcripts, you can sign up for the agreement at http://www.emich.edu/ccr/articulation-agreements/signup.php and bring a copy of this guide to all advising sessions.

Effective Dates: September 1, 2019 until August 31, 2022
This is a renewal of an agreement made in November 2004 and renewed in September 2007, June 2011, and January 2016. This agreement is consistent with the 2019-2020 catalog. Students have until summer 2027 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of a more recent articulation guide.
