¹ Satisfies the Writing Intensive requirement.

² Satisfies the LBC (Learning Beyond the Classroom) Requirement. If an appropriate internship has been completed at OCC, HLAD 488L4 may be waived, but another LBC course or noncredit experience must be completed at EMU.

* If sufficient credits are not transferred from the community college, additional courses must be completed at EMU to satisfy the minimum of 124 credit hours required to graduate.

HEALTH ADMINISTRATION ARTICULATION AGREEMENT GUIDEOakland Community College – **Approved Health Related Programs**Eastern Michigan University – **BS in Health Administration****Additional Information:**

1. Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this articulation agreement, both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions. OCC courses indicated with an * are required for EMU's Health Administration program. Substitutions for these courses must be approved by the EMU program coordinator.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one Learning beyond the Classroom experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be satisfied at the community college as part of the MTA requirements.
To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to fall semester 2014 have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after summer semester 2019.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to either institution.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed at EMU, with 15 hours in program requirements, at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Courses listed in this guide may be completed at the most appropriate time for the student, whether before or after admission to EMU, as long as appropriate pre-requisites are satisfied.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. OCC students will receive equal consideration with other students for course registration and financial aid.
6. To qualify for admission to the program, students must have:
 - a. Successfully completed 45 credit hours of undergraduate coursework,
 - b. A minimum cumulative GPA of 2.5, and
 - c. Completed ENG 1520 with a minimum grade of "C", or (WRTG 121 at EMU with a minimum grade of "C-").
7. To graduate with a Health Administration major, students need a cumulative GPA of 2.5 in HLAD courses.
8. Students who earn less than a "C-" in any HLAD course, will need to repeat it.
9. Students are encouraged to contact the College of Health and Human Services Advising Center early, before applying to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using the link www.emich.edu/ccr/trackingssystem/Enter.php, and bring a copy to all advising sessions.

Effective Dates: September 1, 2017 until August 31, 2020

This is a renewal of an agreement made in September 2013 and updated in September 2014. Students who started this program prior to the new effective date may continue to use the guide they started with for up to seven years. If this agreement is not renewed at the end of the effective period, students who already started at OCC will be given three additional years to be admitted to EMU under the terms of the agreement.
