Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Owens courses indicated with an * are required for EMU's Technology Management Program. Each Institution will be responsible for determining the satisfaction of program and degree requirements at their own institution.
2. Although this agreement is structured to meet EMU's general education requirements, students whose transcripts are endorsed as "Ohio Transfer Module completed" will only be required to meet three of EMU's general education requirements listed below. All general education requirements may be completed at the most appropriate time for the student whether before or after admission to EMU
 - a) an approved quantitative reasoning course: : [at OCC MTH 125] or [at EMU, if intermediate algebra is completed with a "C" or better, STS 224 (preferred) or MATH 118]
 - b) an approved course in global awareness or US diversity: [AAS 101, 120; ANT 200; ART 203; BUS 260; ENG 215, 225, 251,252, 255; ENV 101; GOV100, 207; GPH 106; HIS 152, 170, 270; HUM 105, 275; MUS 105; SOC 220, 250, 270; SPA 100; SPE 220; THE 245; WST 100, 110; at OCC]
 - c) one approved "learning beyond the classroom" experience or course: [TM 387 or see EMU Program Coordinator for other options.]
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in courses offered by EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Under this agreement General Education requirements may be completed at the most appropriate time for the student whether before or after admission to EMU.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. Owens students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Technology Management program coordinator early, before applying to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation agreement on their EMU application and bring a copy of this guide to all advising sessions. Copies of this articulation guide are available on EMU's webpage at www.emich.edu/ccr/artguide.php.

Effective Dates: September 1, 2012 until August 31, 2015

If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who began the program prior to the effective period may use this agreement.
