CRIMINAL JUSTICE ARTICULATION AGREEMENT GUIDE

Schoolcraft College– AAS in Criminal Justice

Eastern Michigan University – BS in Criminology & Criminal Justice

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. Schoolcraft courses indicated with an * are required for EMU's Criminology & Criminal Justice Program.
2. Students whose transcripts have the "MTA Satisfied" endorsement have satisfied the General Education Core Requirement and will only be required to complete the General Education Application requirements of one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" (LBC) area, and a writing intensive course in the major. The Perspectives on a Diverse World course may be transferred from the community college.
Students must request that an official community college transcript, with "MTA Satisfied", be sent to EMU's Admissions Office. Students, who do not have this on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. MTA requirements may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete the MTA or they may be advised to complete additional courses for the general education program.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 33-42 credit hours must be completed at the four-year college level, with at least 30 credits at EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. Courses listed in this guide may be completed at the most appropriate time for students, whether before or after admission to EMU, as long as pre-requisites are satisfied.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. Schoolcraft students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Criminology & Criminal Justice Program Advisor early, before applying to EMU. Students should bring a copy of this articulation guide to all advising sessions.

Effective Dates: September 1, 2014 until August 31, 2017.

If this agreement is not renewed at the end of the effective period, students who already started the program at Schoolcraft College will be given three additional years to be admitted to EMU under the terms of the agreement. In the event that students do not complete the program within seven years, they may be required to have their credits evaluated using the requirements of a more recent articulation guide. Students who began the program prior to the effective date may use this agreement.
