---	---

<sup>1</sup> Meets EMU's Learning beyond the Classroom General Education requirement.  
 \*A minimum of 124 credits is required for graduation.

## COMMUNICATION TECHNOLOGY ARTICULATION AGREEMENT GUIDE

Washtenaw Community College – AAS in Photographic Technology  
Eastern Michigan University – B.S. in Communication Technology

### Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors at both institutions (indicated below) to assure that requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. WCC courses indicated with an \* are required for EMU's degree program and if not transferred, must be completed at EMU.
2. Students whose transcripts have the "MTA Satisfied" endorsement will only be required to complete one "Perspectives on a Diverse World" course, one "Learning beyond the Classroom" (LBC) experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.  
*To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement, sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform their advisor in order to receive appropriate advising. Students who enrolled at WCC prior to September 2014 may follow the MACRAO agreement until August 2019. Transcripts that already have a MACRAO endorsement will be accepted at EMU after September 2019.*
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credits hours must be completed at EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. WCC students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Communication Technology Program Coordinator before applying to EMU. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using the link [www.emich.edu/ccr/trackingsystem/Enter.php](http://www.emich.edu/ccr/trackingsystem/Enter.php), and bring a copy of this articulation guide to all advising sessions.

### Effective Dates: May 1, 2015 until April 30, 2018

If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who began the program prior to the effective date may use this agreement.
