

ALERT!

Students who begin college in September 2014 must follow the Michigan Transfer Agreement (MTA) requirements rather than the MACRAO requirements listed here. New MTA articulation guides will be posted to the EMU Community College Relations website soon. In the meantime, please see a community college counselor for more information about the MTA or look for more information at <http://www.macrao.org/mcm.asp?floor=4>.

Additional Information:**

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. WCC courses indicated with an * are required for EMU's Journalism major.
2. Students whose transcripts are endorsed as "MACRAO Satisfied" will only be required to satisfy three of EMU's general education requirements, noted on the articulation guide and listed below. These requirements may be completed at the most appropriate time for the student, whether before or after enrollment at EMU:
 - a) An approved course in Quantitative Reasoning: [at WCC: MTH 125, 160, 176, 180, 181, 182, or 191] or [at EMU: MATH 110; or if Intermediate Algebra is completed with a 2.0 or better, COSC 106; MATH 105, 118, 119, 120, 140, 170; PHIL 181; PLSC 210; SOCL 250 or STS 224 can be chosen.]

To use MACRAO, students must request that an official community college transcript, with "MACRAO Satisfied" printed on it, be sent to EMU's Admissions Office. Students, who do not have "MACRAO Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the undergraduate catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.

3. Only courses with a grade of 2.0 or better (on a 4.0 scale) will be accepted for transfer to EMU.
4. Students must complete a minimum of 60 credit hours in EMU courses, 9 hours of which must be in the major and 6 hours in the minor both at the 300-level or above. Of the last 30 hours completed before graduation, a minimum of 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, in EMU courses or accepted in transfer, is required for graduation.
5. Students must meet all admission requirements at the time of admission to EMU, including submitting transcripts from all previously attended colleges.
6. Students are encouraged to meet with the EMU Journalism advisor before completing an admission application to EMU. A copy of the articulation guide should be included with the application to EMU and brought to all advising sessions. Copies of this agreement are available at www.emich.edu/ccr/artguide.php.

Effective Dates: January 1, 2014 through December 1, 2016.
