NURSING TRANSFER ARTICULATION AGREEMENT GUIDE

Washtenaw Community College– AAS in Nursing Transfer (code APNURE)

Eastern Michigan University – BSN in Nursing

Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. For the purpose of this articulation agreement, both institutions agree to accept transferrable courses from each other and from other institutions. WCC courses indicated with an * are required for EMU's Nursing program. Substitutions for these courses must be approved by the EMU program coordinator.

2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one Learning beyond the Classroom experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be transferred to EMU.

To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript, with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform advisors or they may be advised to complete additional courses for the general education program. Students who enrolled at the community college prior to September 2014 will have until the end of August 2019 to complete the MACRAO agreement.

3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.

4. Under the agreement, EMU will waive the 60 hour rule and require that 41 credits be completed at EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.

5. Admission to the joint WCC to EMU Nursing Transfer Program follows the application process below.

5.1 Initial application is made to the WCC Nursing Transfer Program – EMU option (APNURE). Students applying to the joint program must satisfy the following admission requirements:

a. Minimum high school or college GPA of 3.4

b. A high school program that included: three units of English; one semester of Algebra; two units of laboratory science including chemistry; 4 units of foreign language and/or social sciences and/or additional laboratory science

c. Minimum grade of "B" (3.0) in a qualified biology and chemistry course with labs. High school courses must be one unit (one year) and college courses are one semester of CEM 090 & BIO 101 at WCC or the equivalents.

d. Students for whom English is a second language must have a TOEFL score of:

i. Internet Based Version = 89 (or equivalent score from alternative version)

ii. Reading = 22 or >

iii. Speaking = 24 or >

iv. Listening = 23 or >

v. Writing = 20 or >

5.2 Application to the EMU School of Nursing should be made during the final semester at WCC.

Requirements for admission to the EMU portion of the program are:

a. Pass ATI exams in fundamentals and pharmacology at WCC according to course requirements

b. submit all health requirements per EMU SON policy

c. submit transcripts from all previously attended colleges

d. have a grade of "C" or better in all nursing courses

e. have a grade of "B" or better in BIO 111, BIO 237, and CEM 140. These science courses must have been completed within 10 years of beginning the program at EMU.

f. have a grade of "C" or better in Sociology, Psychology, English, Math, Speech, Growth & Development and Pathophysiology

g. have a cumulative GPA of 3.0 or better in CEM 140, ENG 111, PSY 100, (ANT 201 or ANTH 135), BIO 111, and HSC 147, whether completed at WCC or EMU.

h. Have a cumulative GPA overall at WCC of 3.0.

i. A criminal background check is required before admission is confirmed.

Eastern Michigan University – BSN in Nursing

5.3 Principles Guiding Progression in the Program:

- a. Students must complete the program at EMU within 6 years from the time they start the program at WCC.
- b. NURS 275 must be successfully completed prior to taking any NURS clinical courses.
- c. Students are not allowed to take three clinical courses during the same semester or to take two clinical courses on the same day.
- d. Prior to withdrawing from or dropping any NURS course the student MUST confer with his or her academic faculty advisor and the course faculty.**
- e. Students withdrawing or “stopping out” are not allowed to register for any NURS courses without written permission from the BSN coordinator.
- f. Students may only repeat a failed NURS course one time.
- g. A maximum of two NURS courses may be repeated.
- h. The second withdrawal from the same NURS course constitutes a permanent dismissal.
- i. All failures in NURS courses are cumulative related to the dismissal and permanent dismissal policy.
- j. Any failures in NURS courses taken prior to admission to EMU SON (i.e. NUR courses and BIO 212 taken at WCC) are counted toward dismissal and permanent dismissal decisions.
- k. Students who are unsuccessful in one or more first semester nursing courses at WCC may, with the permission of their advisor and the course faculty, enroll in NUR 115 and BIO 212 prior to re-taking the failed first semester courses.

Effective Dates: January 1, 2017 until January 1, 2020. This is a renewal of an agreement made in September 2009 and renewed in September 2012. Students who began this program prior to the new effective date have the option of changing to this guide. If this agreement is not renewed at the end of the effective period, students who already started the program at WCC will have an additional three years to be admitted to EMU under the terms of this agreement. All coursework for this degree must be completed within six years of taking the first 200 level NURS course at EMU.
