

MTA Curriculum Planning Worksheet

For students who begin college in fall 2014 or later. Students who started college earlier may opt for the MTA or complete MACRAO and request an audit from the community college before August 2019. Courses required in the major may be "double counted" for MTA requirements.

Minimum Course Requirements	Courses Completed	Credits
1 English Composition	1.	
1 English Composition or communication course	1.	
2 Natural science courses (one lab required) (two disciplines required)	1. 2.	
1 Math course	1.	
2 Social Science courses (two disciplines required)	1. 2.	
2 Humanities courses (two disciplines required)	1. 2.	
Additional courses in any category above if needed to meet the minimum 20 credits		
	Minimum credits required:	30

General Education Application Requirements:

- One perspectives on a diverse world course (may be transferred)*
- One LBC experience (must be completed at EMU)*
- A writing intensive course in the major (must be completed at EMU)*

Other MTA Requirements

1. Grade of 2.0 required in each course
2. Refer to community colleges for approved course lists
Course lists are available on community college websites. Links are available on our website <http://www.emich.edu/ccr/trackingsystem/MTAdirectlinks.php>
3. Students must have their transcripts evaluated and endorsed as "MTA Satisfied" by a community college. Some colleges have an online form to apply for an MTA audit.
4. Minimum of one course must be taken at a community college to request an MTA audit.
