

## **How to Receive EMU Credit for Project Lead the Way (PLTW) Courses**

High school students may receive undergraduate credit from Eastern Michigan University for successfully completing any of the following PLTW courses:

- ✿ Introduction to Engineering Design (IED) - PDD 122 Engineering Graphics at EMU
- ✿ Principles of Engineering (POE) - ET 100 Introduction to Engineering Technology at EMU
- ✿ Digital Electronics (DE) - ELEC 214 Digital Circuit Analysis I at EMU
- ✿ Engineering Design and Development (EDD) – PDD 157 Introduction to Product Design and Development at EMU

*(Students must be registered at EMU as a degree-seeking student to receive this credit, which will appear on the student's transcript as PLTW transfer credit with course equivalency noted.)*

### **Requirements to receive EMU credit:**

- ✿ The student must be registered at EMU.
- ✿ The student must request official final high school transcript(s) from all high schools attended
- ✿ The student must have taken the PLTW course(s) at a certified high school
- ✿ The student must have received at least a “B” (3.0 on a 4.0 scale) or higher in the class
- ✿ The student must receive a score of 6 or higher on the PLTW college credit exam

### **Procedures to receive EMU credit:**

#### **Step 1. Complete Student Application for Course Credit**

*Please be aware of the following:*

- ✿ Student must answer all questions in order for the form to be processed
- ✿ Both parent and student must sign the application
- ✿ Student must be registered at EMU to receive this credit

#### **Step 2. Have teacher(s) complete Test Score section of the Student Application for Course Credit.**

- ✿ Student must fill out top section and sign form before turning form over to instructor
- ✿ Instructor must sign form verifying test score.
- ✿ Instructor must submit form directly to EMU; do not return form to student

#### **Step 3. Submit the application**

All forms must be submitted to Eastern Michigan University. **Mail all forms to:**
