Consequence is no coincidence

karma,

comes

back

to

you

Tried to play straight, how your whole style
bent?

Hypocrites always wanna play innocent

Never underestimate those who scar

What you throw out comes back to you, star

And if you don't change then the rain soon
come

See you might win some, but you just lost

"~~Best~~ A Long Walk"

- Jill Scott

I'm a woman
when you see me
passing

It's the click of
my heels

The grace of
my style

The blend of
my hair

The sun of my
smile

The ride of my
breasts

The span of
my hips

I'm a wo-
man

That's me!

Taken words by Maya Angelou

Wanted to be with our friends

didn't want to be inside now

Didn't want to watch

Wouldn't share them with any

warm the earth

leaves the rain

work learn. teach

You've Got A Place Here, Too

Words written by Nikki Giovanni
BLK HISTORY month

I really dig

your peace mentality

maybe we can roll a tree and feel the

breeze

Let's take a long walk

Find a spot for us to spark

Share our situations, temptations

we all are sinners

your soul a winner

Layla written with words
by Jill Scott

this is blk magic you lookin at

Even if it makes others uncomfortable
I will love who I am

I'm As Good As Anybody Else

I'm a self-respectin Black Queen

You can take my wings but I'm still gonna
fly

I've Got A Place Here, Too

Janelle Monae, Erykah Badu,
