

Aviation Flight Technology Retention Policy

In addition to the secondary admission requirements, Aviation Flight Technology majors are required to:

1. Maintain a cumulative GPA of at least 2.3 (C+) on a 4.0 scale. A student whose cumulative GPA falls below 2.3 will be placed on program probation for the next succeeding term (or two semesters if the student is a part-time student—defined as taking 11 credits or less). If the student fails to raise his or her cumulative GPA to 2.3 or higher with the grades earned during the probationary term(s), the student will be dismissed from the program. Students may reapply for admission once their GPA is raised to 2.3 or higher.
2. In order to graduate, students must earn a C grade or higher in all AVT, AVFT, and AVMT courses.
3. Earn a B grade or higher in all AVFO courses.
4. Aviation Flight major who fails to earn a B grade or higher in any AVFO course will not be permitted to progress in the flight program.
