

April 2022

EASTERN MICHIGAN UNIVERSITY ORTHOTICS & PROSTHETICS

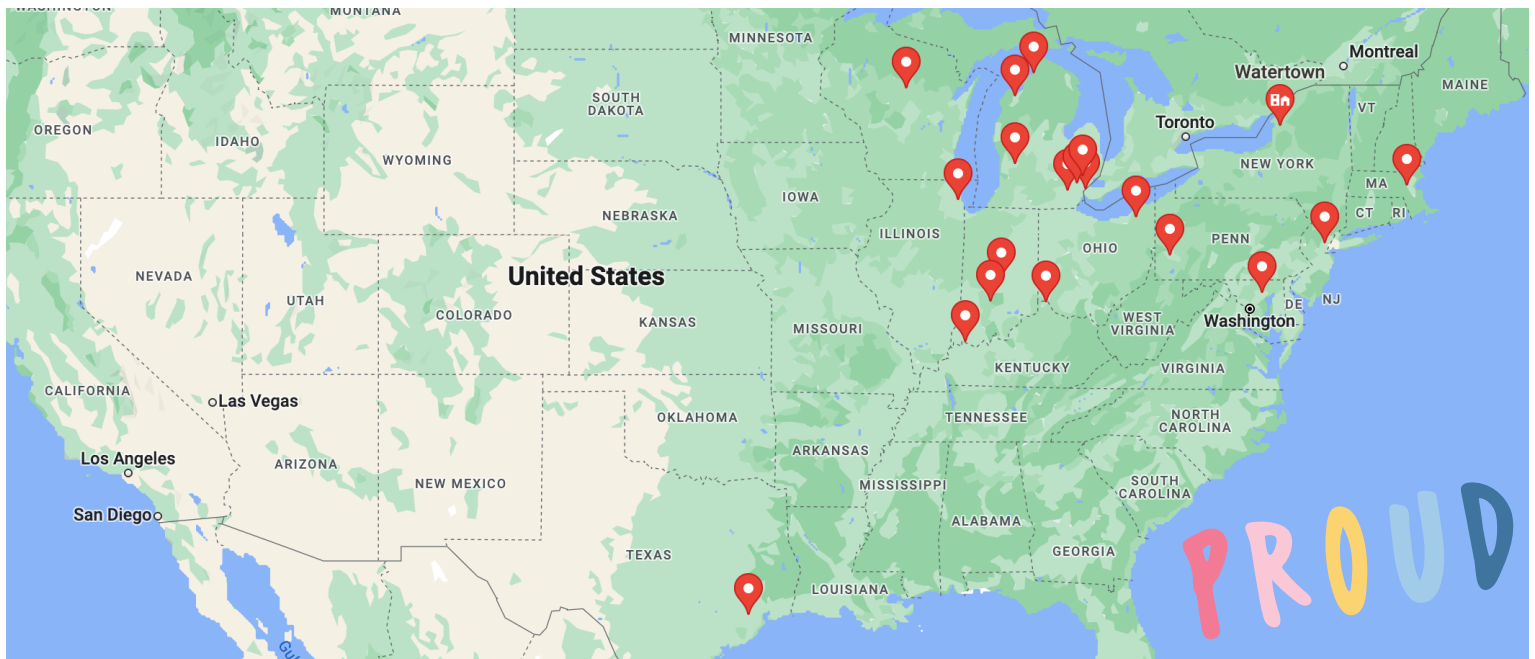

CAPPING OFF THE YEAR

As we close out another great year at EMU, we are so proud to be graduating another class of wonderful future clinicians - Congratulations to the class of 2022! Best of luck as they scatter across the country for their Residencies! We are looking forward to sending our first-year students off to their summer clinical rotations and seeing how much they grow before next year.

Wishing a safe and happy Summer to all!

MEET THE NEW OOPS TEAM!

Congratulations to our Class of 2023 OOPS officers!

President - Shannon Everly
Vice President - Marissa Shaver
Secretary - Molly Winget
Treasurer - Kaylyn Fales
Webmaster/Historian - Victoria Heckenlively

FACULTY AND STUDENT AWARDS

Congratulations to faculty member Frank Fedel for being awarded the Everett L. Marshall Award for Teaching Effectiveness!

Frank teaches Kinetics, Biomechanics, Gait Analysis, and Research Methods to our first year students as well as Advanced Techniques to our second years. We are so thankful to have Frank on our staff!

Second Place

Sophia Mancini (left) and Shannon Everly (right)

Eastern Michigan University
Faculty advisor: Frank Fedel, MS

Enhancing O&P Education with Unlimited Access to Gait Analysis Using Virtual Reality

Third Place

Kitty Lackey

Eastern Michigan University
Faculty advisors: Frank Fedel, MS; Nathan Kerns, CPO

Sustainable Material Alternatives for Prosthetic Sockets

Congratulations to 3 of our first-year students for being awarded the ABC x OPERF Student Poster Prize! We can't wait to see where your future research takes you!
