***Placement typically begins after students attend the 1st field placement class of the semester.** However, students are permitted to start as early as the first day of the semester. Students cannot begin before the first day of classes for the semester. Start dates will vary for different students depending on several factors. If you have questions please talk to your faculty liaison or the field office. Please be aware that some agencies may offer or require training before the first day of field seminar.

Total hours: 400 (200 hours Fall; 200 hours Winter @ 16 hours/week)

****Could be extended through exams in order to meet 200 hours each semester with faculty liaison permission.**
Per our agency agreements, students may not end their placements more than one week prior to the last official week of field placement. This policy is to be upheld even if field hours have been met.
