How Does Your Garden Grow? (July 1- July 3) Session 4

From seeds and sprouts come many things - flowers, plants, and food! We can plant, nurture, and watch as we explore seeds in the classroom and learn about roots and shoots! What grows around our neighborhood? We'll go on walks to find out!

Regie Veggie to the Rescue (July 8-July 12) Session 5

Can broccoli be a superhero? It's definitely a super food! The rainbow will guide us as we explore and taste just how wonderful all those colorful fruits and vegetables can be. And don't forget the exercise - part of a balanced lifestyle!

From Sea to Shore, Animals Galore! (July 22-July 26) Session 7

Fur, scales, paws, and jaws - so many creatures to explore! Are sharks good pets? Is my kitten the same as a tiger? Let's use books, scavenger hunts, and virtual trips to learn more.

Book Cooks (July 29-Aug. 2) Session 8

If you give a child a book, they may want a snack to go with it! So let's read and grab the measuring cups, we'll feed our tummies and minds with delicious dishes and stories.
