NICK

Water! Would be fine.

(LEANNA reaches under her desk for a bottle and hands it to NICK.)

LEANNA

Here you go.

(NICK grabs the bottle, promptly starts drinking.)

LEANNA

What do we say?

NICK

What?

LEANNA

What do we say? When someone gives you something, what do we say?

(When NICK gives her a baffled look, she makes a drinking motion with her hand. He looks down at his bottle of water.)

NICK

(feeling emboldened)

You want me to say thank-you for this bottle of water? (pause) Awww. You neeeeed me to say thank-you for this bottle don't you?

LEANNA

(mocking)

You neeeeeded to be polite.

NICK

Hell, no. A) you offered me the water, and B) you haven't given me what I really need, which is to get through that door!

(Just then, a TEENAGE GIRL skips through the door, bopping slightly to the tunes blaring through her MP3 player, obnoxiously snapping her gum.)

LEANNA

Hi, can I help you?

TEENAGE GIRL

Sarah Jennings, please. I have an 11 o'clock appointment that I'm, like, so late for.
