

CALLING ALL STUDENT INVENTORS!

Turn your great idea into a reality.

THE DETAILS

Inviting all K-12 graders to participate in **EMUiNVENT**, a regional convention that provides young inventors an opportunity to use the invention process to create and pitch an original product.

Need help with your idea?

Visit www.emich.edu/csie/invent to be connected with budding and experienced engineers and entrepreneurs.

Have other questions?

Teachers and students can email us at emu_invent@emich.edu.

EMUiNVENT will be held on March 6, 2020 at Eastern Michigan University. The best projects will be invited to the **Michigan Invention Convention** in April 2020 at The Henry Ford Museum.

EMUiNVENT FAQs

What is it?

Eastern Michigan University is partnering with the Henry Ford's Invention Convention Worldwide to provide students in grades K-12 with an interactive and interdisciplinary opportunity to use the invention process to create and pitch an original product at a regional convention.

Through EMUiNvent, EMU hopes to bring the innovative ideas of young minds to life! Bringing together problem-solvers, inventors, and entrepreneurs of all ages, backgrounds, and disciplines will show kids the way to entrepreneurship, innovation and invention in an organized manner.

When is it?

EMUiNvent is the regional convention leading up to the Invention Convention Michigan and the National Invention Convention. Although students will need to start early with their invention process, the final competition will be held on March 6, 2020 at McKenny Hall, Eastern Michigan University in Ypsilanti.

When is it?

By helping the students convert an idea into a product we hope to provide a platform to build students' critical thinking and entrepreneurial skills. Student's inventions may qualify to participate in the regional convention to be held at Eastern Michigan University on March 6, 2020. The winners in the regionals will participate in the 2020 Invention Convention Michigan on April 25, 2020, organized by The Henry Ford Museum.

How will EMU help?

EMU will hold training sessions:

- For teachers who want to lead teams from their class/school.
- For students with ideas in different stages. We will EMU will connect the students with mentors and trainers who will help in the process.

I'm interested. What's next?

Students: Share your information with us at www.emich.edu/csie/invent

Teachers: Email us at emu_invent@emich.edu and we will contact you with more information.
