Post-Master's K-12 Basic Administrator Certificate

The State of Michigan K-12 School Administrator Certification is a state-supported post-master's professional development option for prospective and current educators who seek enhanced training in school and/or district leadership, management and instruction. This credential, reinstated by legislative approval in January 2007, coincides with an ongoing process of Michigan state certification available through designated postsecondary institutions (including Eastern Michigan University) for the Basic (Initial) Certificate in K-12 administration (school/assistant principal licensure).

The Basic Certificate in K-12 Administration may also be earned as part of the Master's or Specialist's Degree Program in Educational Leadership at EMU.

This program is fully online.

For admission an applicant must:

1. Complete the Graduate School Application at emich.edu/graduate/apply/.

2. Completed applications that contain the required GPAs, recommendation forms, and the resume will be forwarded to the coordinator of advising for the educational leadership program.
