Dear Dr. Martin:

The Board of Directors of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) met July 11-13, 2013, for the purpose of rendering accreditation decisions.

Three programs housed in the College of Education at Eastern Michigan University were reviewed under the 2009 CACREP Standards. The Board made the following decisions:

Clinical Mental Health Counseling (M.A. degree) program

Accredited: Eight-Year Period through October 31, 2021

School Counseling (M.A. degree) program

Accredited: Eight-Year Period through October 31, 2021

Student Affairs and College Counseling (M.A. degree) program

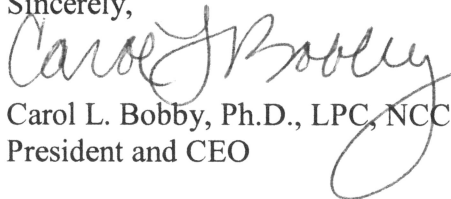

Accredited: Eight-Year Period through October 31, 2021

The above accreditation decisions were based on the Board's extensive review of the self-study documents, the visiting team's report, and your institution's response to the visiting team's report.

Programs receiving accreditation for an eight-year period deserve to be commended for the work they completed throughout the accreditation process. This is indeed a worthy achievement. Congratulations! Please note that a certificate of accreditation will be enclosed with Dean Joseph's copy of this letter.

On behalf of the CACREP Board, I would like to extend my thanks to you and your administration for the support provided to this program. Such support is considered vital to assuring continued quality in higher education programs. Once again, congratulations are extended to all of those involved in making this a successful accreditation review process.

Sincerely,

Carol L. Bobby, Ph.D., LPC, NCC
