

**Goal 3.** Encourage and strengthen the scholarly work and its dissemination done in the college  
**Benchmark 2.** Engagement and purposeful sharing of ideas and insights among faculty, students, community partners, alumni, and the public at large.

**Objective**

1. Create and participate in events and opportunities to engage in discussion and share scholarly problem solving, ideas, and plans.

**Strategies**

a. **FY20-FY24**

- a. Plan two or more brown bag lunches for faculty and students interested in specific scholarly topics
- b. Use social media to present a faculty member's scholarly ideas, research results, or insights
  - i. at least one per long semester
- c. Request the COE Council seek input on other ways for fostering purposeful sharing of scholarly ideas
- d. Increase the number and quality of COE student participation in undergraduate symposium and graduate research fair.
  - i. increase the presentations
  - ii. increase the number of presentations converted into national or international
    1. presentations
    2. publications
- e. Report in text, video interviews, or other methods on student and faculty scholarly findings and interests on the college and university social media, web site, and in COE annual report.

b. **FY21-FY24**

- a. Host scholarly conferences or related events for students, faculty, alumni, and potential teacher prep students.
  - i. Call for proposals to which faculty with ideas for conferences, events, or speakers on topics of scholarly interest to faculty and the broader university or community can apply.
  - ii. Develop an application and budgeting process with a timeline for submissions
    1. Include potential funds anticipated to be generated by the event

Faculty and Administration led

- a. Whether those funds will be used to pay back some or all of the costs of the event
  - b. What any remaining funds will be used for and who controls them
2. Require outcomes of the event planned
  3. Require a post-event evaluation and reporting back to the Dean.

### **Measurable Outcomes**

- a. Annual number of events, dates, their topics, and demographic profile of attendees
- b. New or enhanced scholarly activity resulting from the events and opportunities provided.
  - i. What activities?
  - ii. Who was engaged in this?
  - iii. Were any grants or funding opportunities sought?
- c. Student presentations internally, externally, and related publications

### **\$ needed**

- a. **Brown Bag Lunches:**
  - i. **FY20-FY24:** \$500 annually
- b. **Scholarly Conferences or Events**
  - ii. **FY21-FY24:** \$1,000 annually

### **Data Sources**

- a. topics and attendance records from brown bag lunches
- b. Graduate and undergraduate requests for conference travel support who first presented the work at undergraduate symposium or the graduate research fair that present the same or a later revision of the same data at a national/international conference
- c. Student publications related to funded conference support reported back to Dean's Office
- d. ORDA data
- e. Annual faculty reports

### **Persons responsible for Data**

- |         |          |
|---------|----------|
| a. Mike | c. David |
| b. Ron, | d. Wendy |

### **Parked strategies and notes for later-year consideration**

#### 3.2.1 Scholarly Dissemination
