## Payroll Disbursement Preferences

Current Preference: Preference Undefined

If you work for EMU, your paycheck is disbursed through Higher One. Choosing to receive your payroll to your OneAccount will always be the fastest way to receive any payment owed to you. And, when you [enroll in Unlimited Online Bill Pay](#) and receive direct deposit of payroll to your OneAccount, you are eligible to have the monthly service charge for Unlimited Online Bill Pay waived (subject to ability to verify legitimacy of payroll deposit).

Since Higher One receives the payroll disbursement file prior to the pay date, we have been able to also make ACH Transfer (to other bank) available the day that EMU specifies that payroll be made available. [Learn more about how payroll is disbursed with Higher One.](#)

### Your Current Payroll Disbursement Preference

Your current payroll preference is set to ***Preference Undefined***.

This may be because you never selected a preference, because your preference is not currently valid due to an error, or because your previously defined preference was no longer an option offered by EMU.

Please select your preference for receiving payroll.

If you had previously selected the "Paper Check" option, please verify that your primary address on file with Higher One is correct. If you had previously selected ACH Transfer (to other bank), please re-submit your ACH form and verify that your account number and routing numbers are correct.

Preference changes will affect future payments, or those payments that are currently in the pending status. Changing your preference will not affect payments that have already been disbursed.

Your current Preference will be identified.

***Preference Undefined*** means you need to complete the Payroll Preference

Preference changes will affect future payments, or those payments that are currently in the Preference Inactive status. Changing your preference will not affect payments that have already been disbursed.

<input checked="" type="radio"/> ACH Transfer (to other bank)	Please deposit my payroll disbursement from Eastern Michigan University into a third party bank account.  There is no charge for receiving your payroll disbursement in this way. To receive your payroll disbursement by direct deposit to another account, you are required to have this option selected and submit the account and routing information for the account to which you would like your payroll disbursement transferred. If you have already submitted the routing and account information for the bank account you wish to use as it is the same as for your refund preference, there is no need to resubmit your information.	2-3 days if preference is chosen when a disbursement is Preference Inactive and the pay date has passed. Immediately on the pay date if preference was selected at least 2 days prior to the current pay date specified by EMU
<input type="radio"/> Paper Check	Please send my payroll disbursement by paper check to my primary address.  There is no charge for receiving your payroll in this way. Although checks are mailed immediately on the pay date specified by EMU, receiving a check via first class mail may add (5) or more business days to receive the funds. This is a check mailed by BankMobile and not by Eastern Michigan University. <a href="#">Click here to view a sample check envelope.</a>	<b>5 or more business days</b>
