

## A delegation from Shanghai visited EMU

A delegation from Shanghai Institute of Technology (SIT) in Shanghai, China, visited Eastern Michigan University on Oct 08, 2018. The delegation consisted of Dr. Ping Qian (Dean of the School of Electrical and Electronic Engineering), Dr. Wei Lin (Chair of Electronic Information Engineering), Dr. Lijuan Zhang (Associate professor, SIT) and Ning Yang (Secretary of foreign affairs).

Facilitated by Dr. Qin Hu, coordinator of the newly created Electrical and Computer Engineering program at EMU, the delegation met faculty and administrators including Dr. Mohamad Qatu, the Dean of the College of Technology (COT), Dr. Jonathon Lin (program coordinator of Computer Engineering Technology) and Prof. Moderick Greenfield (program coordinator of Electronic Engineering Technology). They discussed future institutional exchanges of students and academic collaborations.
