Please note the following pieces of important information:
 1) These guides exist as a reference tool to help you determine what order you should take the courses you need to graduate.
 2) Each tab reflects only the subject offering. If your major requires a course from another subject in the College of Technology, you may find that course in it's respective tab.
 3) This document only lists Fall and Winter courses, unless noted as being Summer only. Courses may be offered in the Summer on an "as needed" basis.
