CSIE SUMMER PREP COURSE FOR STEM FRESHMEN

- ◆ Are you interested in a STEM field?
- ◆ Do you want to excel in college and your science classes?
- ◆ Then the CSIE STEM-a-thon is for you!
- ◆ The CSIE STEM-a-thon is a summer bridge program to prepare freshmen interested in **Science, Technology, Engineering, or Mathematics** as a major for the fall semester classes.
- ◆ If you are interested in a STEM field and struggle with mathematics, chemistry, physics and biology, then this summer program helps prepare you for your coursework.
- ◆ Registration from **AUG 17 - Ju 17, 2018**, .
