Old National Bank is looking for 2 students for a mentorship opportunity exclusively for students with disabilities.

**Who:** Juniors and Seniors across campus in all areas of study

**When:** We would like to identify 2 individuals for Old National's interview process by June 15th

**How Long:** The mentorship program runs from August 2021 through May 2022

## Achieve Ability statistics

Old National had 57 mentees participate in our program. 10 mentees have been hired at ONB, 10 have received an internship at ONB, and more than half of our Achieve Ability ([click here to view our video](#)) graduates find employment after the completion of the program. Achieve Ability mentees boost their confidence as future professionals, and build their professional network as they look to enter the workforce, while building lifelong relationships with their mentor!

Ben Trockman, the coordinator for this program and Old National's Diversity and Inclusion's Outreach Specialist stated the following:

"My dream is for our communities to become **more inclusive** of people with disabilities in the workforce. My dream is for our communities to become **more accessible**. My dream is for my job as a Diversity and Inclusion Outreach Specialist *to not have to exist* in the future because we don't think twice about employing people with disabilities. But, *in the meantime*, I'll keep working to level the playing field!"
